Technical note

SAMPLE

11,601 persons registered on the electoral rolls, constituting a representative national sample of the French population aged 18 years and over.

DATES OF FIELDWORK

FROM 16 APRIL TO 17 APRIL 2017.

METHODOLOGY

ONLINE INTERVIEWS
QUOTA METHOD: GENDER, AGE, INDIVIDUAL'S OCCUPATION, REGION, URBAN/RURAL.

As with any quantitative survey, this study presents results subject to the margins of error inherent in statistics. This report has been drawn up in compliance with the international standard ISO 20252 "Market research, social studies and opinion".
