Table 32

(APR17)Q16. I want you to think about what it is that most attracted you to (party).

Some people are attracted mainly by the policies of the party, some by the leaders of the party and some because they identify with the party as a whole.

If you had a total of ten points to allocate according to how important each of these was to you, how many points would you allocate to the PARTY AS A WHOLE that you intend voting for?

Base : All giving a General Election voting intention
