Q.2 Currently, first-time home buyers can qualify for a rebate of the Toronto Land Transfer Tax of up to \$3,725, equal to the time home buyers who purchase a home priced up to \$400,000 do not pay the tax. First-time home buyers who purchase an allowed rebate of \$3,725. The current average home price in Toronto is \$770,000, which equates to approximately \$11,000. Purchases of an average-priced home would be required to pay a balance of \$7,275 in Toronto Land Transfer Tax. To what extent would you support increasing the allowed Toronto Land Transfer Tax rebate for first-time home buyers, to
