3_5. You indicated that you ... the idea of a National Portrait Gallery at 100 Wellington. Please consider the following information and, in light of each statement, please indicate whether you like the idea of a national portrait gallery more, less or about the same: - The basis for a quality national collection already exists. Library and Archives Canada alone holds more than 20,000 paintings, drawings and prints; and some four million photographs, caricatures and medals dating from the present back to the 17th century. This collection belongs to all Canadians but remains largely unseen.

4. Now that you have heard more about what a National Portrait Gallery would be like, what do you think of the idea of using 100 Wellington for a PORTRAIT GALLERY - a venue that showcases the history, diversity and achievements of Canada through portraits of notable individuals from the past and present, from all provinces and territories from coast to coast to coast?
