Table Description

1	1. What is more important for Canadian health care, in your opinion?
2	2. Do you believe that discrimination against Indigenous people exists in Canadian health care?
3	3. Do you think that the federal government is currently on the right track or the wrong track when it comes to addressing the issue of Indigenous health?
4	4. Do you believe there is currently an opioid crisis in Canada?
5	5. Do you think that the federal government is currently on the right track or the wrong track when it comes to addressing the issue of increased opioid use?
6	6. How vulnerable do you think Canadian health care organizations are to cyber attacks?
19	GENDER
20	AGE
21	EDUCATION
22	REGION
23	INCOME
24	HOUSEHOLD COMPOSITION
25	HHCMP1. How many people are living or staying at your current address?
26	EMPLOYMENT STATUS
27	USMAR2. What is your marital status?
28	PGS01. How much of your household's grocery shopping do you, yourself, do?
29	CAETHN4. What were the ethnic or cultural origins of your ancestors? An ancestor is usually more distant than a grandparent.

1. What is more important for Canadian health care, in your opinion?
