

## BBC Presenters, Actors, Reporters Survey

### CATI Fieldwork : 13th - 17th July 2017

Absolutes/col percents

Table 1

**The BBC is funded through the licence fee.**

**Getting the highest quality presenters, actors, actresses, directors and news reporters is competitive as these people are in demand from many broadcasters.**

**If it means paying similar to what other broadcasters pay, what do you think the BBC should do?**

**Base: All respondents**

|                                                                                                                           | Total      | Gender      |            | Age           |            |            |            |            |            | Socio-Economic Group |            |             |            | Region       |                |                |                            |                   |                   |                  |              |            |                |                |                        |
