### Key Value to Client

Ipsos Healthcare is committed to helping our clients achieve clarity in multi-stakeholder markets through focusing on three inter-related areas that are critical for business success in today's healthcare industry:

- **Stakeholder dynamics:** Understanding and measuring experience of key stakeholders
- **Market Strategy:** Optimizing strategies across the development and commercialization process
- **Brand Building:** Driving brand engagement by leveraging stakeholder insights

### Client Testimonial: Quote

*"Ipsos research outcomes were highly insightful, enabling a clear and better understanding of challenges and opportunities in the Asia Pacific region. The team at Ipsos is well networked and demonstrates a wealth of experience. Their project planning and execution was thorough." Marketing Manager - Product Development, BD Singapore*

### Case Study

**Client Issue :** Product not used in line with intended positioning

**What did Ipsos APAC do:** Measured customer engagement and message leakage & Dilution across the whole commercial chain

**Client Win (\$ Saved or Earned )** Client able to identify points of leakage and dilution, resulting in greater discipline in message delivery and clarity on brand positioning
