OUTLOOK FOR 2021

Ipsos’ capabilities, solutions, expertise, reputation, investments in partner companies and technological solutions are incomparable assets in the current period.

Despite the inevitable uncertainties linked to the health situation and its consequences on society and the economic activity:

- Ipsos is in a position to do better in terms of revenue than in 2020 and also than in 2019.
- This business growth will come with an improvement of its operating margin ratio.
