### For some, the current economic climate will have long-term implications

"We definitely don't have enough in our retirement accounts. At this rate we definitely won't have enough to retire."

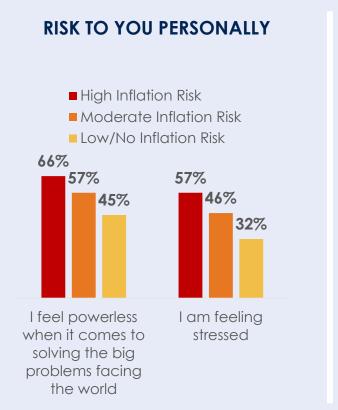

- Vanessa, US

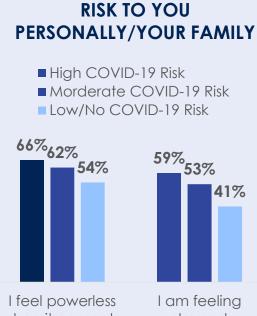

#### The environment in which consumers are shopping impacts overall morale and sentiment

## **CONSUMER SENTIMENT**

**TOP-2 BOX AGREEMENT** 

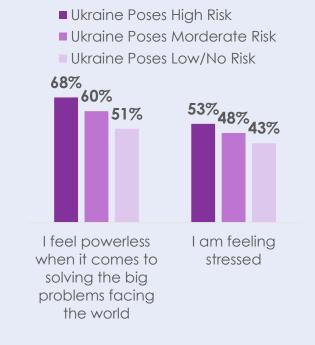

when it comes to solving the big problems facing the world

**RISK TO YOUR COUNTRY** 

Consumers expect to cut back on their spending throughout Q4 and into the holidays

74%

I feel like I need to cut back on my spending

I expect to have less money to spend on end-of-year holiday gifts and celebrations this year

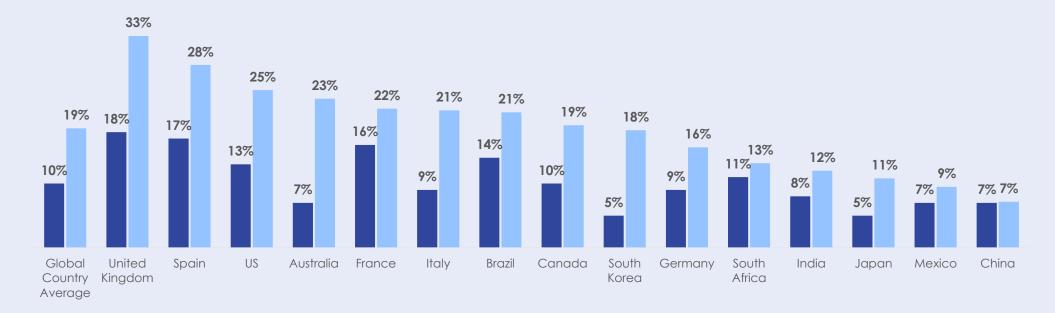

Women are more likely to have less money for holiday gifts, and report needing to cut back on their spending more than men.

#### Travel is expected to rebound in 2023 even as consumers head cautiously into Q4
