

INSTANT | LABS

Real time early ideas and creative exploration, online and all in one-day

THE BUSINESS CHALLENGE

How to bring a creative idea to life and deliver it with maximum impact?

What are the best insights, ideas and creative expressions that best engage and resonate with consumers?

How to align all key stakeholders – Insights, brand, agency – and nurture collaboration to drive creative excellence?

How to learn in hours and inspire the creative development process and accelerate it?

THE SOLUTION

An online, in-depth understanding of early creative and ideas in hours, with instant answers, in real time and live discussions

Combination of Quant and Qual gives the “what” and the “why” on the same day

Designed to identify the strongest insights, campaign ideas and early creative

Partnering together – all key stakeholders (Marketing, insights, agencies)

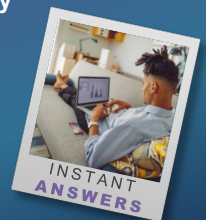

Live online event offers transparency and speed with continuous interactivity and a debrief on the same day

Real time, integrated, quant and qual events

With live client and agency observation and interaction, all in a day
