Marijuana-impaired driving laws and penalties	74%	68%	81%	72%	
Health risks of marijuana (e.g. mental health, drug poisoning, respiratory wellness, or risks during pregnancy)	68%	54%	68%	73%	
Health risks of marijuana for children and youth under 25 (e.g. impact on brain development)	68%	57%	66%	72%	

Q3. When it comes to the safe use of marijuana, what public education information is important to you?	Social risks of marijuana for youth (e.g. suspension, expulsion, not graduating)	49%	34%	47%	55%	
	Risk of addiction	51%	27%	47%	62%	
	Information about how to use responsibly	58%	62%	63%	55%	
	Safe use of different types/forms	54%	54%	60%	52%	
	Reasons for legalizing marijuana (e.g. protecting youth, getting rid of the illegal market, reducing organized crime)	48%	48%	53%	46%	
	Other, specify	2%	2%	2%	3%	
	None of the above	5%	3%	3%	6%	
	Q4. How concerned are you about your personal safety on the road once marijuana has been legalized in Canada?	T2B	77%	53%	73%	87%
	Very concerned	42%	17%	36%	53%	
	Somewhat concerned	36%	36%	37%	34%	
Not very concerned	18%	33%	23%	10%		
Not at all concerned	5%	14%	5%	3%		
	B2B	23%	47%	27%	13%	
Q5. Thinking about a driver who is under the influence of marijuana, which of the following statements do you agree with?	A marijuana-impaired driver drives better than a sober driver	3%	8%	2%	2%	
	A marijuana-impaired driver drives the same as sober driver	14%	29%	12%	9%	
	A marijuana-impaired driver drives worse than a sober driver	72%	52%	74%	77%	
	Don't know	12%	12%	11%	12%	

Q6. Now thinking about alcohol-impaired driving and marijuana-impaired driving, which of the following statements do you agree with?	Being under the influence of alcohol is more dangerous than being under the influence of marijuana while driving	19%	51%	21%	9%
	Being under the influence of marijuana is more dangerous than being under the influence of alcohol while driving	4%	6%	4%	3%
	Both alcohol and marijuana are equally dangerous while driving	71%	41%	69%	82%
	Don't know	6%	2%	6%	6%
Q7. Thinking about marijuana-impaired driving and prescription narcotic/opioid drugs-impaired driving, which of the following statements do you agree with?	Being under the influence of prescription narcotic/opioid drugs is more dangerous than being under the influence of marijuana	20%	49%	24%	9%
	Being under the influence of marijuana is more dangerous than being under the influence of prescription narcotics/opioids	5%	6%	6%	4%
	Both prescription narcotic/opioid drugs and marijuana are equally dangerous while driving	65%	36%	62%	76%
	Don't know	10%	10%	9%	11%

	Engaging in distracted driving is more dangerous than being under the influence of marijuana while driving	16%	40%	18%	7%
Q8. Which of the following statements do you agree with?	Being under the influence of marijuana is more dangerous than engaging in distracted driving	8%	7%	9%	8%
	Both distracted driving and marijuana are equally dangerous while driving	71%	49%	69%	80%
	Don't know	5%	4%	4%	6%
		T2B 66%	44%	63%	75%
Q9. Once marijuana is legalized in Canada, how frequently do you think marijuana-impaired driving will occur, compared to today?	Much more often	35%	13%	29%	45%
	Somewhat more often	31%	31%	34%	30%
	The same	31%	48%	34%	23%
	Somewhat less often	3%	6%	2%	2%
	Much less often	1%	1%	1%	1%
		B2B 3%	8%	3%	2%
Q10. Once marijuana has been legalized, do you think that marijuana-impaired driving will cause more, less or the same amount of collisions as alcohol-impaired driving?	More	37%	15%	27%	48%
	Less	21%	45%	23%	12%
	The same	43%	41%	50%	39%

Q11. Once marijuana has been legalized, do you think that marijuana-impaired driving will cause more, less or the same amount of collisions as distracted driving?	More	33%	12%	22%	46%
	Less	23%	45%	26%	14%
	The same	44%	43%	52%	40%
	T2B	75%	44%	78%	83%

Q12. Would you support or oppose the Ontario government in putting stricter penalties (i.e. increased fines, longer license suspensions) in place for marijuana-impaired driving than those mentioned earlier under The Cannabis Act?	Strongly support	48%	18%	48%	57%
	Somewhat support	27%	26%	30%	26%
	Somewhat oppose	9%	17%	9%	6%
	Strongly oppose	7%	26%	6%	3%
	Don't know / no opinion	10%	13%	8%	8%
	B2B	17%	39%	14%	12%

Marijuana Usage
