<p>At the current rate of progress, how long in years will it take for men and women to have economic equality across the entire world? Economic equality means equal numbers of men and women in work, equal pay for similar work, equal numbers of men and women in leadership positions in work and public life and equal numbers of men and women in technical and professional jobs.</p>	Argentina	217	<a href="#">WEF</a>	<p>Out of every 100 women in [COUNTRY] how many do you think say they have experienced any form of sexual harassment since the age of 15?</p>	Argentina			<p>Out of every 100 women in [COUNTRY], how many do you think say they have been a victim of physical and/or sexual violence by a current or former partner or spouse at some point in their life?</p>	Argentina
