This Exit Poll was conducted exclusively on behalf of The Irish Times by Ipsos MRBI, among a national sample of 4,501 voters at 160 polling stations throughout all constituencies in the Republic of Ireland. Voters were randomly selected to self-complete a mock ballot paper on exiting the polling station.

The accuracy level is estimated to be approximately plus or minus 1.4%. In all respects, the survey was conducted within the guidelines laid down by AIMRO and by ESOMAR.
