1	1. Employment status
2	2_1. How would you describe your... - Nutrition, eating habits, etc.
3	2_2. How would you describe your... - Physical activity levels, exercise, etc.
4	2_3. How would you describe your... - Physical health overall
5	2_4. How would you describe your... - Stress levels
6	2_5. How would you describe your... - Mood generally (depression, anxiety, etc.)
7	2_6. How would you describe your... - Mental health overall
8	2. How would you describe your... - Top 2 Box Summary
9	2. How would you describe your... - Bottom 2 Box Summary
10	2. How would you describe your... - Top 3 Box Summary
11	3_1. How much of an impact do each of the following have on your mental health? - Work
12	3_2. How much of an impact do each of the following have on your mental health? - Family
13	3_3. How much of an impact do each of the following have on your mental health? - Finances
14	3_4. How much of an impact do each of the following have on your mental health? - Current events
15	3. How much of an impact do each of the following have on your mental health? - Top 2 Box Summary
16	3. How much of an impact do each of the following have on your mental health? - Bottom 2 Box Summary
17	3. How much of an impact do each of the following have on your mental health? - Mean Summary
18	4_1. How much of an impact do each of the following have on your physical health? - Work
19	4_2. How much of an impact do each of the following have on your physical health? - Family
20	4_3. How much of an impact do each of the following have on your physical health? - Finances
21	4_4. How much of an impact do each of the following have on your physical health? - Current events
22	4. How much of an impact do each of the following have on your physical health? - Top 2 Box Summary
23	4. How much of an impact do each of the following have on your physical health? - Bottom 2 Box Summary
24	4. How much of an impact do each of the following have on your physical health? - Mean Summary
25	5_1. And, how much of an impact do you think each of the following would have on your physical activity levels? - Gyms or organized physical activities at work
26	5_2. And, how much of an impact do you think each of the following would have on your physical activity levels? - Paid time for physical activities/exercise at work
27	5_3. And, how much of an impact do you think each of the following would have on your physical activity levels? - More bike lanes
28	5_4. And, how much of an impact do you think each of the following would have on your physical activity levels? - More walking or running trails/paths
29	5_5. And, how much of an impact do you think each of the following would have on your physical activity levels? - More indoor walking or running trails/paths for the colder months/inclement weather
30	5_6. And, how much of an impact do you think each of the following would have on your physical activity levels? - Monetary incentives such as tax rebates for gym memberships, bikes, or similar
31	5. And, how much of an impact do you think each of the following would have on your physical activity levels? - Top 2 Box Summary
32	5. And, how much of an impact do you think each of the following would have on your physical activity levels? - Bottom 2 Box Summary
33	5. And, how much of an impact do you think each of the following would have on your physical activity levels? - Mean Summary
34	6_1. How comfortable would you feel bringing up the following with your employer? - Your mental health
35	6_2. How comfortable would you feel bringing up the following with your employer? - A mental health complaint or issue at work
36	6_3. How comfortable would you feel bringing up the following with your employer? - A work-related physical injury
37	6. How comfortable would you feel bringing up the following with your employer? - Top 2 Box Summary
38	6. How comfortable would you feel bringing up the following with your employer? - Bottom 2 Box Summary
39	7_1. To what extent do you agree with each statement - People are responsible for keeping themselves at a healthy weight
40	7_2. To what extent do you agree with each statement - I've had to make hard choices between healthy foods or utilities, or healthy food or medicine, or similar

41	7_3. To what extent do you agree with each statement - When it comes to maintaining a healthy weight, diet (foods/drinks consumed) is more important than exercise
42	7_4. To what extent do you agree with each statement - I pay attention to the number of calories in my foods and drinks
43	7_5. To what extent do you agree with each statement - It's hard to break unhealthy lifestyle habits
44	7_6. To what extent do you agree with each statement - I don't have enough time to exercise
45	7. To what extent do you agree with each statement - Top 2 Box Summary
46	7. To what extent do you agree with each statement - Bottom 2 Box Summary
47	8. Which of the following diets or lifestyle choices, if any, have you made?
48	9_1. To what extent do you agree with each statement - There are too many different reports about healthy choices to keep track.
49	9_2. To what extent do you agree with each statement - I'm confident that I could research health information when and if I needed.
50	9_3. To what extent do you agree with each statement - I'm generally interested in health and well-being news and information.
51	9_4. To what extent do you agree with each statement - I prefer to leave my health and lifestyle choices to experts such as doctors.
52	9. To what extent do you agree with each statement - Top 2 Box Summary
53	9. To what extent do you agree with each statement - Bottom 2 Box Summary
54	10A. Do you suffer from any chronic disease, illness or other medical condition?
55	10B. Does anyone else living in your household suffer from any chronic disease, illness or other medical condition?
56	GENDER
57	AGE
58	EDUCATION
59	REGION
60	INCOME
61	HOUSEHOLD COMPOSITION
62	HHCMP1. How many people are living or staying at your current address?
63	EMPLOYMENT STATUS
64	USMAR2. What is your marital status?
65	PGS01. How much of your household's grocery shopping do you, yourself, do?
66	CAETHN4. What were the ethnic or cultural origins of your ancestors? An ancestor is usually more distant than a grandparent.
