

# Economic impact of the Coronavirus on Britain

8-11 May 2020

# Government priorities during the Coronavirus

Please read the following pair of statements and then select the one which you agree with more strongly:

1. The Government should prioritise people's health by having more restrictions on public events, workplaces and travel
2. The Government should prioritise the economic health of the country of by having fewer restrictions on public events, workplaces and travel

Base: 1069 Online British adults 18-75, 8-11 May 2020

# Britain's economic recovery post-lockdown

And thinking about how Britain's economy will begin to recover once the coronavirus restrictions have been eased, from what you know which of the following do you think is most likely?

Britain's economy will recover more quickly than most other economies

Britain's economy will recover at about the same rate as those of most other countries

Britain's economy will recover more slowly than those of most other countries

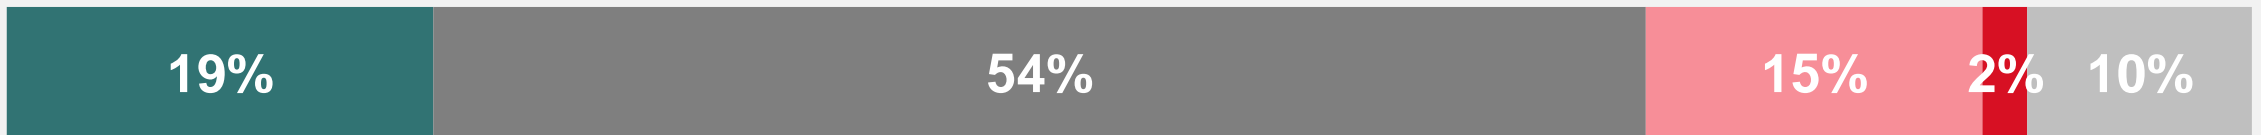

Britain's economy will never recover

Don't know

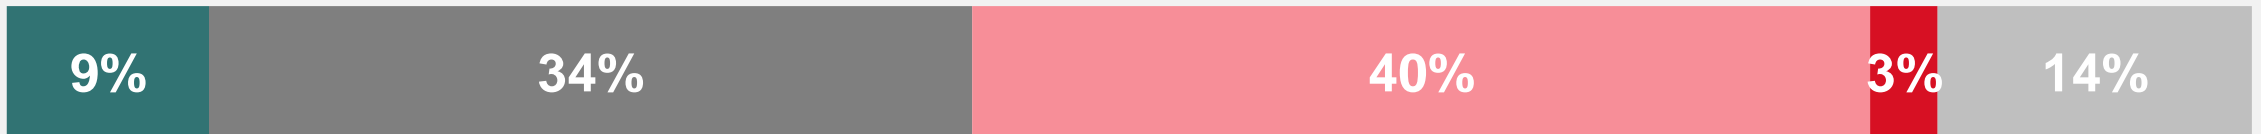

## Among all

## Among 2019 Conservative voters

## Among 2019 Labour voters

Base: 1069 Online British adults 18-75, 2019 Labour voters (308), Conservative voters (307), 8-11 May 2020
