Q6b. Please now think about what you will do when the government ends the current lockdown measures. Imagine if the lockdown measures end in the next month, how comfortable, if at all, do you think you will feel doing each of the following in the same way as you did before the coronavirus pandemic began? - Using public transport

Q6b. Please now think about what you will do when the government ends the current lockdown measures. Imagine if the lockdown measures end in the next month, how comfortable, if at all, do you think you will feel doing each of the following in the same way as you did before the coronavirus pandemic began? - Using public toilets
