Table 11**LIST_VOTE1a/b/c. LIST - COMBINED VOTING INTENTION - ALL LIKELY TO VOTE**

Your second vote for the Scottish Parliament is for a list of candidates put up by each party, or single individuals who stand to represent your region of Scotland.

You can vote for the same party as you did with your first vote, or vote differently.

If there were elections to the Scottish Parliament tomorrow, how would you use your second vote?/Which party are you most inclined to support?

Base : All 9/10 likely to vote

	(1). Scotland should be independent because the UK is leaving the European Union even though Scotland voted to Remain	(2). Scotland should be independent because Westminster governments cannot be trusted to act in Scotland's interests	(3). In the long term, Scotland's economy will be stronger outside the UK than within it	(4). People in Scotland want to take the country in a very different political direction to England

UNIONARG. And how convincing, or otherwise, do you find the following arguments for Scotland staying part of the UK?

- Summary table -

Base : All

	(1). Scotland gets the best of both worlds from having its own devolved parliament and also being part of the UK	(2). Leaving the UK and becoming an independent country would be a major risk for Scotland's economy and jobs	(3). Leaving the UK would leave Scotland isolated and weaker on the international stage	(4). In spite of current challenges, the different countries of the UK still have more in common than divides us
