

Ipsos MORI Coronavirus polling

January 2021

Confidence in the NHS to deal with the Coronavirus

How confident, if at all, would you say you are in the ability of the National Health Service to deal with those who are ill as a result of getting the Coronavirus?

8-11 January 2021

Base: 1,065 Online British adults aged 18-75, 8-11 January 2021

March 2020 – January 2021

Confidence in the NHS to deal with the Coronavirus

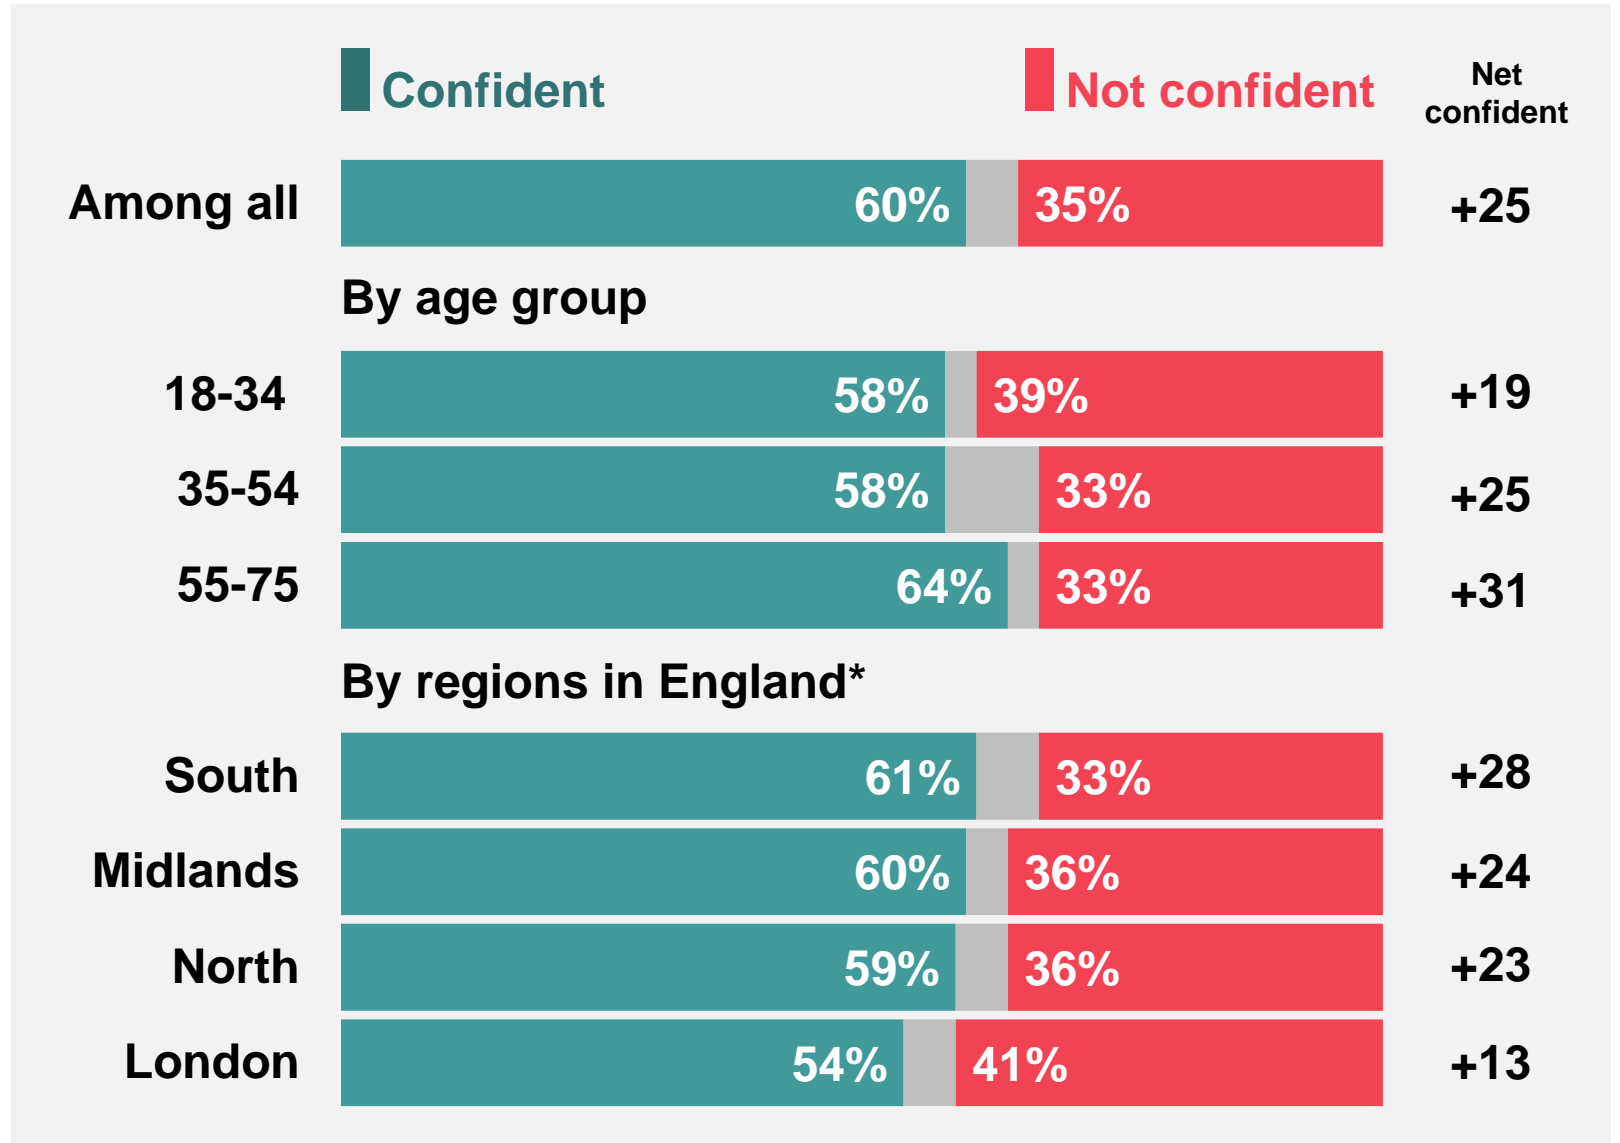

How confident, if at all, would you say you are in the ability of the National Health Service to deal with those who are ill as a result of getting the Coronavirus?

Base: 1,065 Online British adults aged 18-75, 8-11 January 2021

Confidence in the NHS to deal with the Coronavirus

How confident, if at all, would you say you are in the ability of the National Health Service to deal with those who are ill as a result of getting the Coronavirus?

Base: 1,065 Online British adults aged 18-75, 8-11 January 2021. Including those aged 18-34 (360), 35-54 (380), 55-75 (325) and those living in the South (231), Midlands (280), North (253), London (151). * The "among all" figures include those in Scotland and Wales, however, they have not been shown separately due to small base sizes. Please note that the regional differences shown here are not statistically significant.
