

08/12/2020

Table Names

[0001](#) Q1. Life satisfaction.

[0008](#) Q10. On a scale of 0 to 10, has migration had a positive or negative impact on Britain? (0 is "very negative", 10 is "very positive")

[0009](#) Q11. Do you think the number of immigrants coming to Britain nowadays should be increased a lot, increased a little, remain the same as it is, reduced a little, or reduced a lot?

[0010](#) Q12. Overall, how satisfied or dissatisfied are you with the way the current government is dealing with immigration?

[0011](#) DISCUSS1. Generally speaking, do you think that the issue of immigration has been discussed in Britain too much, too little or about the right amount over the last few months?

[0012](#) Q19. Economic - Which of the descriptions comes closest to how you feel about your household's income nowadays

[0013](#) Q23B. After Britain leaves the European Union, would you prefer the number of EU citizens from each of the below groups coming to live in the UK to be increased, reduced, or should it remain about the same? - Summary table

[0014](#) Q23B\_1. After Britain leaves the European Union, would you prefer the number of EU citizens from each of the below groups coming to live in the UK to be increased, reduced, or should it remain about the same?: Doctors

[0015](#) Q23B\_2. After Britain leaves the European Union, would you prefer the number of EU citizens from each of the below groups coming to live in the UK to be increased, reduced, or should it remain about the same?: Nurses

[0016](#) Q23B\_3. After Britain leaves the European Union, would you prefer the number of EU citizens from each of the below groups coming to live in the UK to be increased, reduced, or should it remain about the same?: Academics

[0017](#) Q23B\_4. After Britain leaves the European Union, would you prefer the number of EU citizens from each of the below groups coming to live in the UK to be increased, reduced, or should it remain about the same?: Computer and software experts

[0018](#) Q23B\_5. After Britain leaves the European Union, would you prefer the number of EU citizens from each of the below groups coming to live in the UK to be increased, reduced, or should it remain about the same?: Care home workers

[0019](#) Q23B\_6. After Britain leaves the European Union, would you prefer the number of EU citizens from each of the below groups coming to live in the UK to be increased, reduced, or should it remain about the same?: Seasonal fruit and vegetable pickers

[0020](#) Q23B\_7. After Britain leaves the European Union, would you prefer the number of EU citizens from each of the below groups coming to live in the UK to be increased, reduced, or should it remain about the same?: Construction labourers (e.g. bricklayers, roofers)

[0021](#) Q23B\_8. After Britain leaves the European Union, would you prefer the number of EU citizens from each of the below groups coming to live in the UK to be increased, reduced, or should it remain about the same?: Restaurant and catering staff (waiters, waitresses, bartenders)

[0022](#) Q23B\_9. After Britain leaves the European Union, would you prefer the number of EU citizens from each of the below groups coming to live in the UK to be increased, reduced, or should it remain about the same?: Bankers

[0023](#) Q23B\_10. After Britain leaves the European Union, would you prefer the number of EU citizens from each of the below groups coming to live in the UK to be increased, reduced, or should it remain about the same?: Students

[0024](#) Q23B\_11. After Britain leaves the European Union, would you prefer the number of EU citizens from each of the below groups coming to live in the UK to be increased, reduced, or should it remain about the same?: People coming to join their spouse or partner who
