Some people drive with passengers in their car even when they know the amount of cannabis they have consumed has made them technically, under the law, impaired. Have you done this in the last six months?

Some people drive with passengers in their car even when they know that the amount of the illicit drug they have consumed has made them technically, under the law, impaired. Have you done this in the last six months?

	Gender					Age						Region										#People in Household				Children <18 in Household		Age2				AgeGender
