

Have recent extreme weather events, like heat waves and wildfires, changed your opinion the urgency to fight climate change?

[illegible]

How much more would you personally be willing to spend per year (i.e. increased taxation, goods or services costing more, etc.) in order to help the fight against climate change?

		Total	Region						Trudeau Gov't Approval		Re-Elect Trudeau Gov't		Change	Yes, I feel more urgent about climate change	Yes, I feel less urgent about climate change than in the	No, my opinion has not changed
