

# Household Pets

**Three in five** American households have a pet

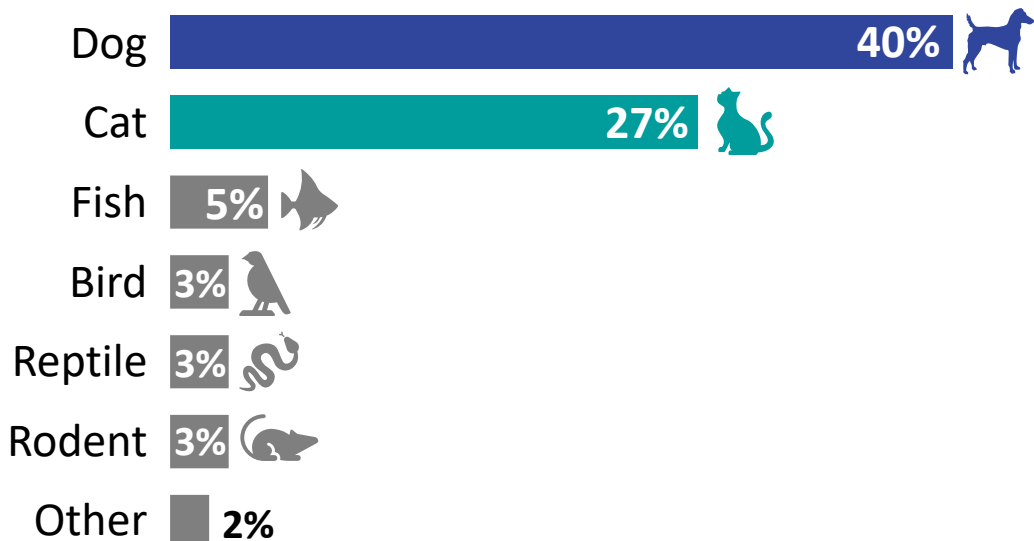

**One in ten** household added a pet to their home during the COVID-19 Pandemic

Households with Kids were more likely to get a pandemic pet

**12%**

**Dogs** and **cats** are the most popular pets among all American households

*These are the findings of an Ipsos poll conducted between July 17-18, 2021, using the probability-based KnowledgePanel®. For this study, a sample of 1,021 adults age 18+ from the continental U.S., Alaska, and Hawaii was interviewed online in English. The poll has a margin of error of plus or minus 3.3 percentage points for all respondents.*
