# Are the Government relaxing Coronavirus restrictions...?

As you may know, on Thursday 24th February the UK Government is due to relax Coronavirus restrictions in England. Do you think the Government is relaxing these measures too quickly, too slowly, or at about the right time?

**Relaxing measures too quickly**

**At about the right time**

**Too slowly**

**Don't know**

## Among all

## Among 2019 Conservative voters

## Among 2019 Labour voters

Base: 1,018 Online British adults 16-75, 22 February 2022 Including 2019 Conservative voters (316), 2019 Labour voters (292).

# Do you support ending legal self-isolation for people testing positive with Covid-19?

As you may know the UK Government has announced that from Thursday this week people in England who have tested positive for Covid-19 will no longer be legally required to self-isolate (although guidance remains to stay at home and avoid others). To what extent, if at all, do you support or oppose removing the legal requirement to self-isolate for people who have tested positive?

**Support**

**Oppose**

**Among all**

**Among 2019 Conservative voters**

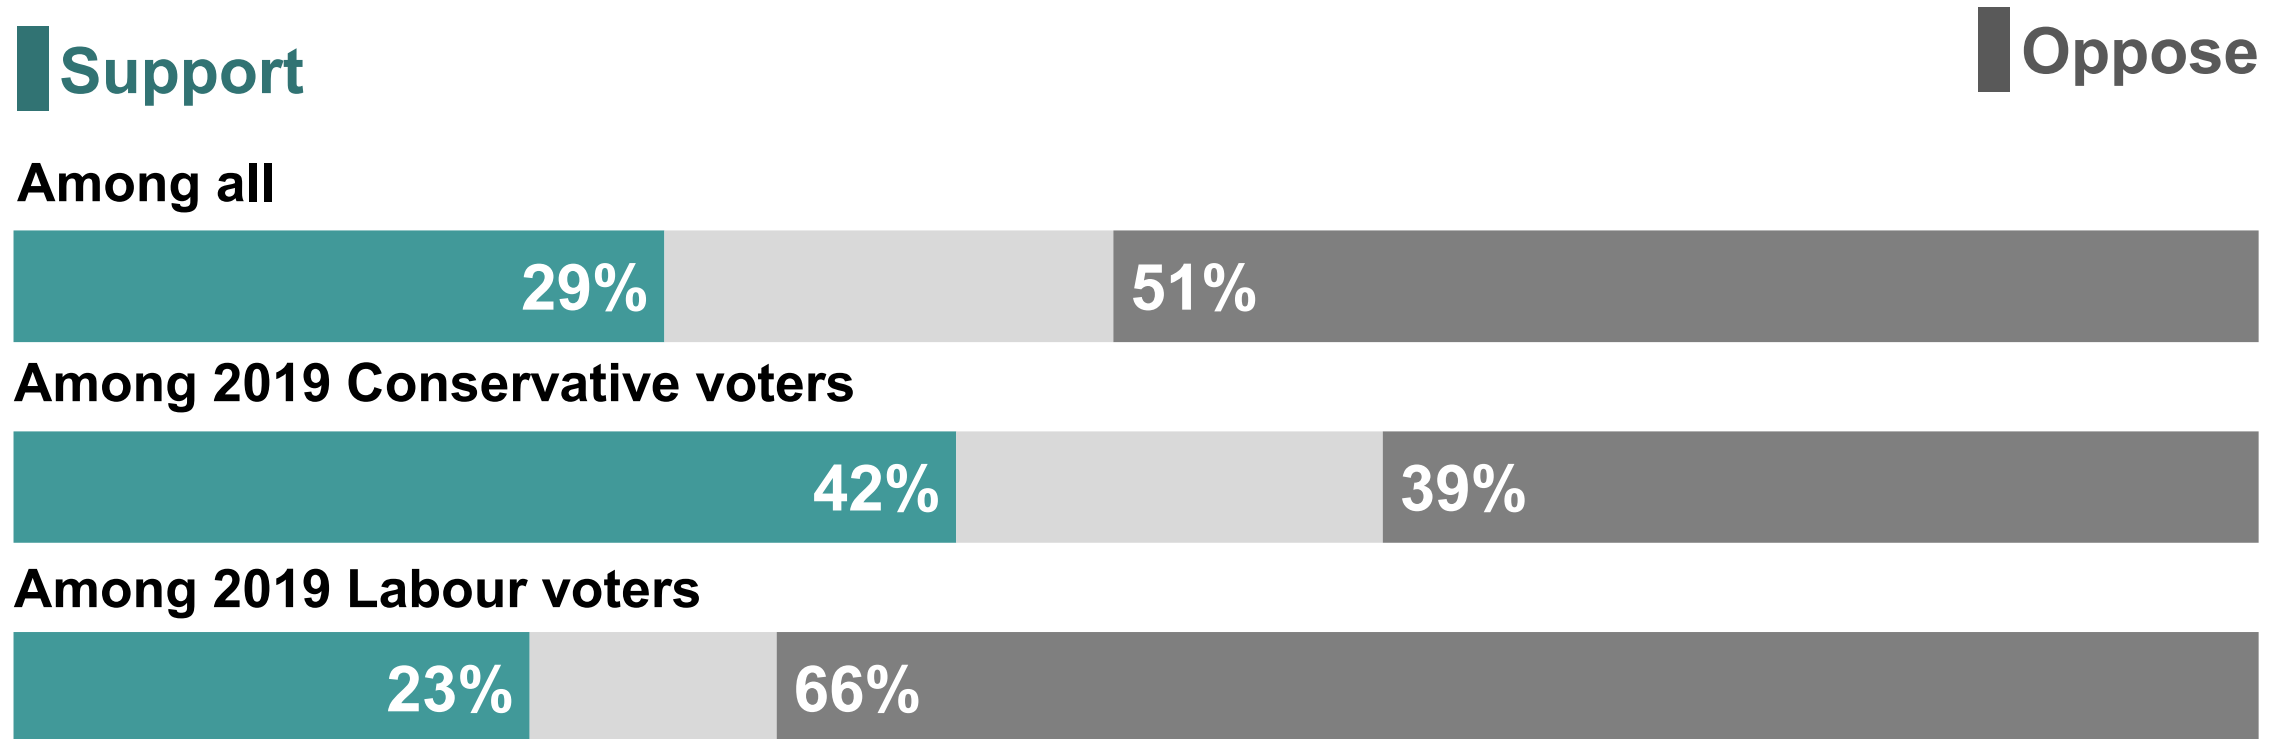

**Among 2019 Labour voters**

**Base:** 1,018 Online British adults 16-75, 22 February 2022 Including 2019 Conservative voters (316), 2019 Labour voters (292).

# Do you support stopping the provision of free Covid-19 tests?

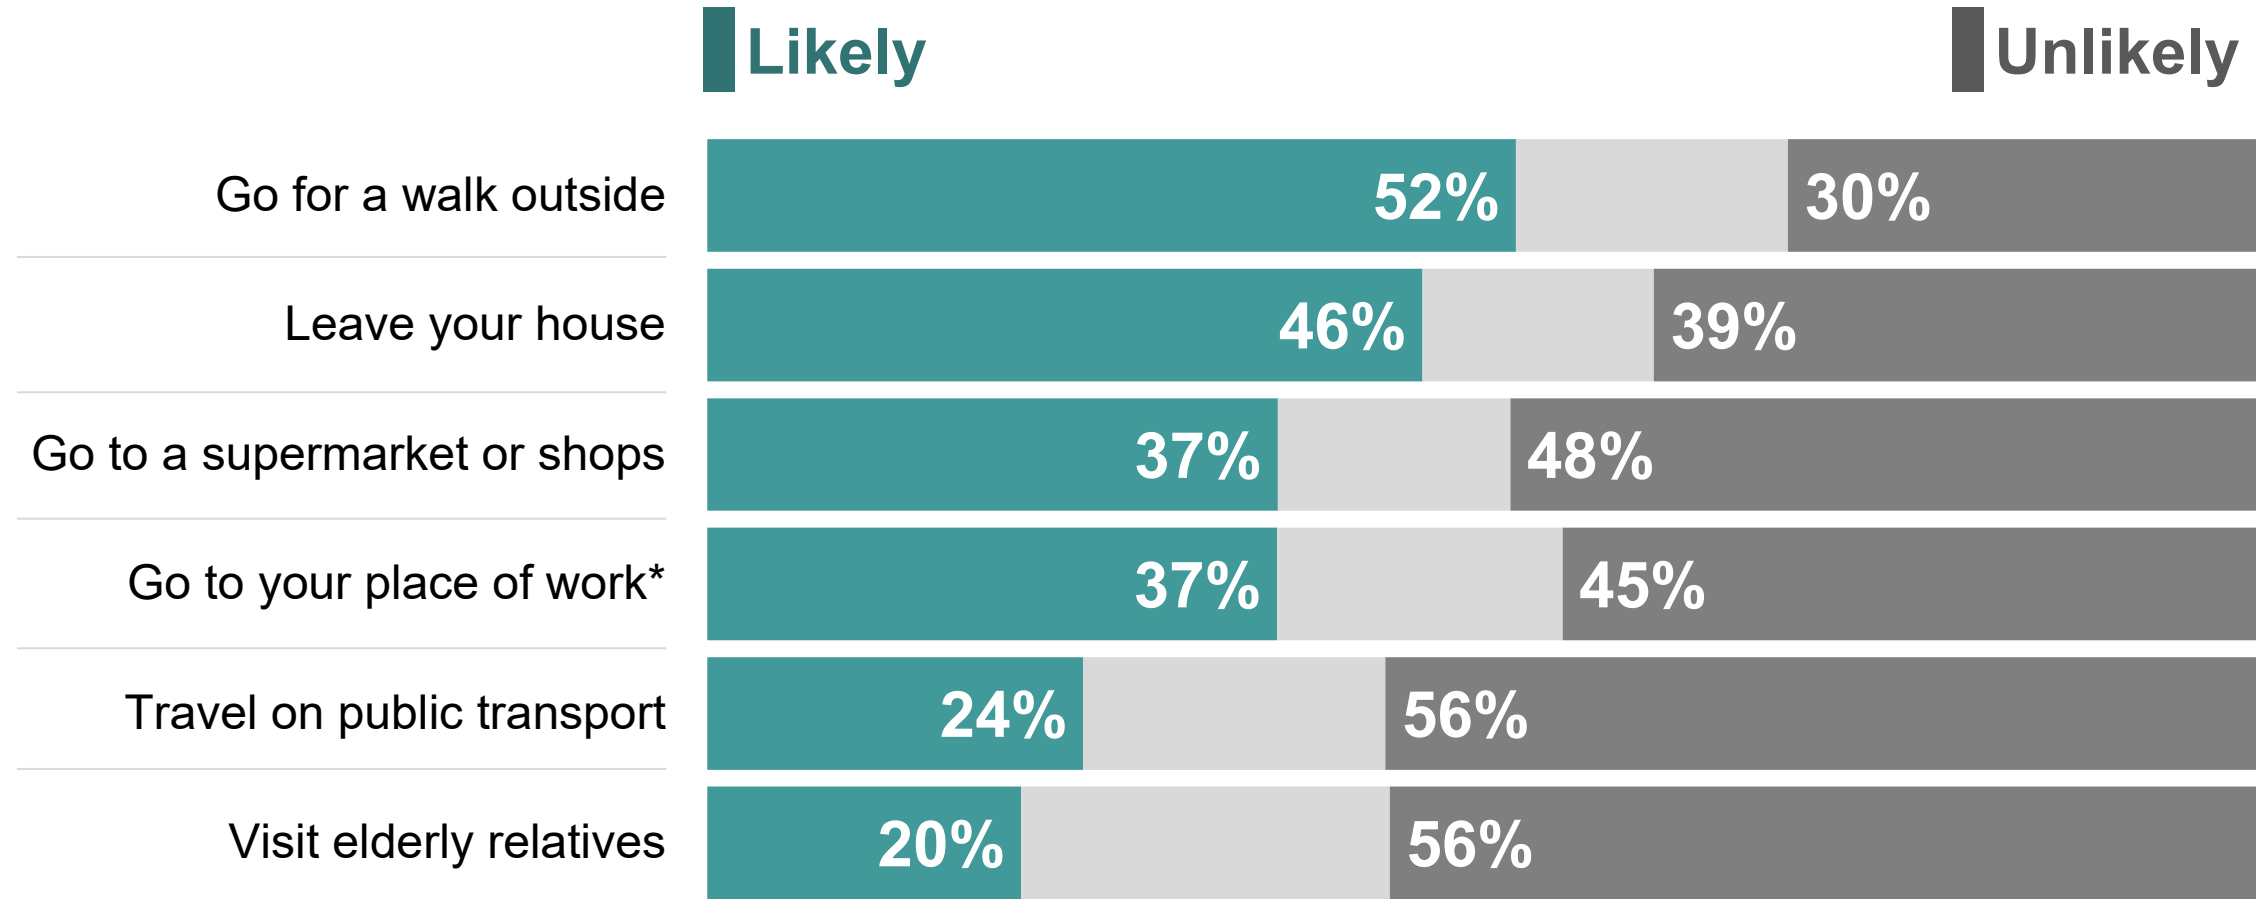

As you may know, the UK Government has also announced that from the 1st April Covid tests, including lateral flow tests and PCRs, will no longer be provided free for most people in England (although some symptomatic people who are elderly or vulnerable will still be able to receive them for free). To what extent, if at all, do you support or oppose this decision to no longer provide free Covid tests?

Base: 1,018 Online British adults 16-75, 22 February 2022 Including 2019 Conservative voters (316), 2019 Labour voters (292).

# What would you do if you tested positive for Covid-19?

From this Thursday onwards when the rules change in England, how likely or unlikely, if either, would you be to do each of the following if you personally tested positive for Covid-19?

Base: 1,018 Online British adults 16-75, 22 February 2022.
