Technical notes

- The research was carried out by Ipsos UK.
- Ipsos UK interviewed a representative quota sample of 1,450 adults aged 18-75 in the UK. Interviews took place on the online Fast Facts Solution using the Ipsos.Digital platform between 14th and 15th May 2022.
- The sample obtained is representative of the population with quotas on:
 - Age
 - Gender
 - Region
- The data has been weighted to the known offline population proportions for age, working status and social grade within gender, and for government office region to reflect the adult population of the UK.
