Half of Britons think Boris Johnson and Keir Starmer have been treated fairly by journalists and their own party's MPs

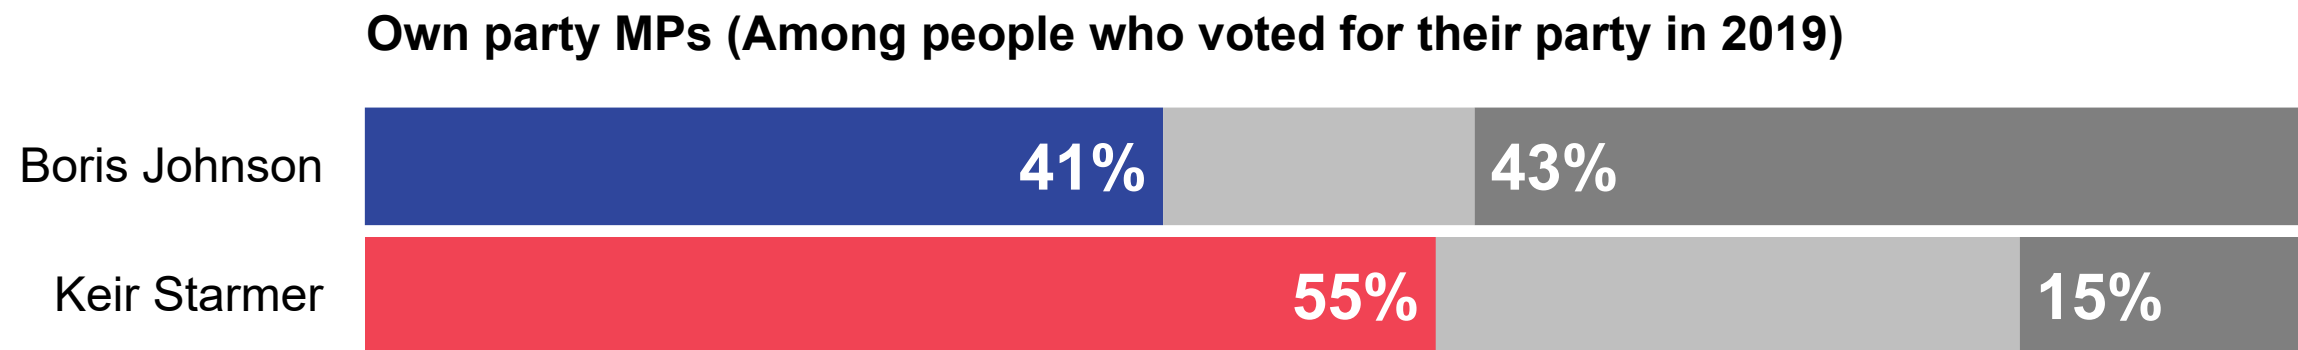

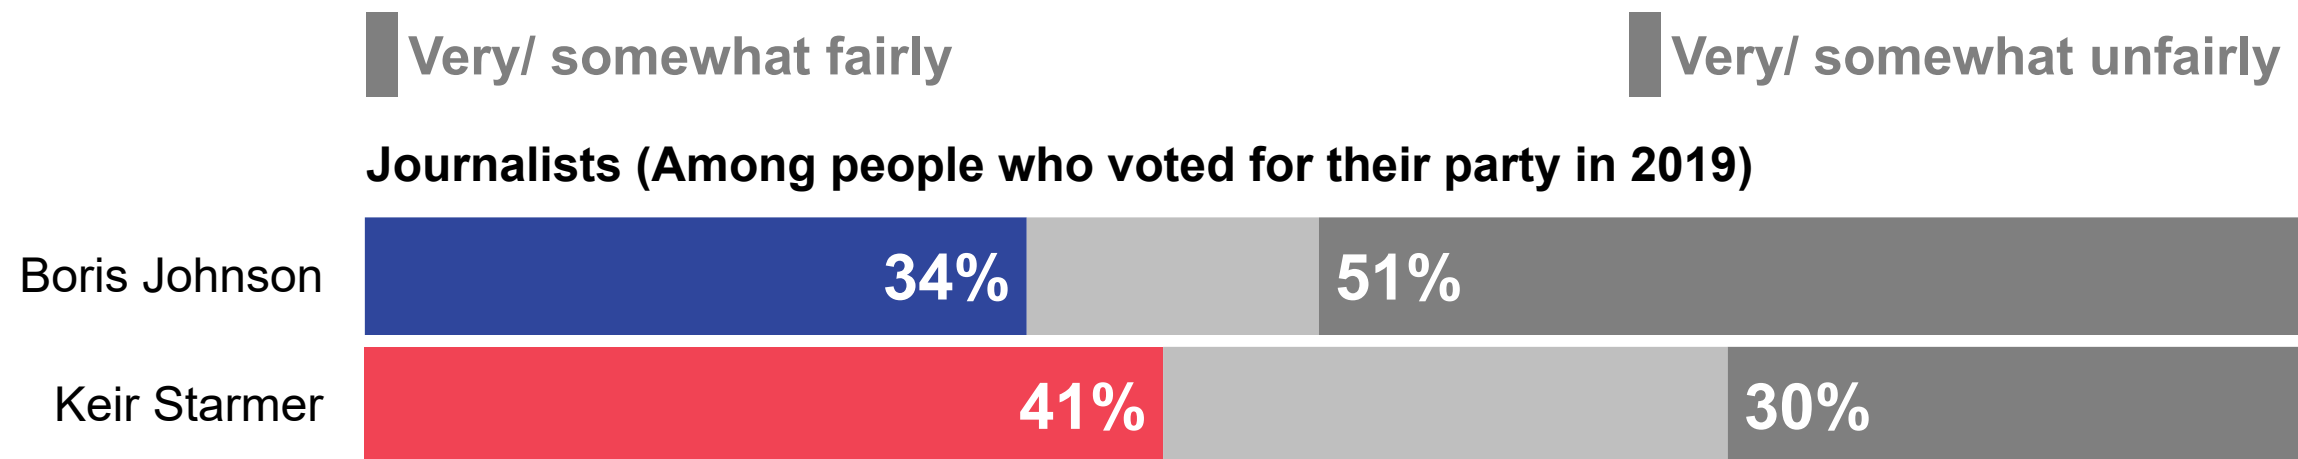

To what extent, if at all, do you think each of the following has generally treated ... fairly or unfairly during his time as Prime Minister/leader of the Labour party?

Base: 1,001 Online British adults aged 18-75, 17-18th August 2022

Half of 2019 Conservative voters say Boris Johnson has been treated unfairly by journalists, two in five say the same of his treatment by Conservative MPs

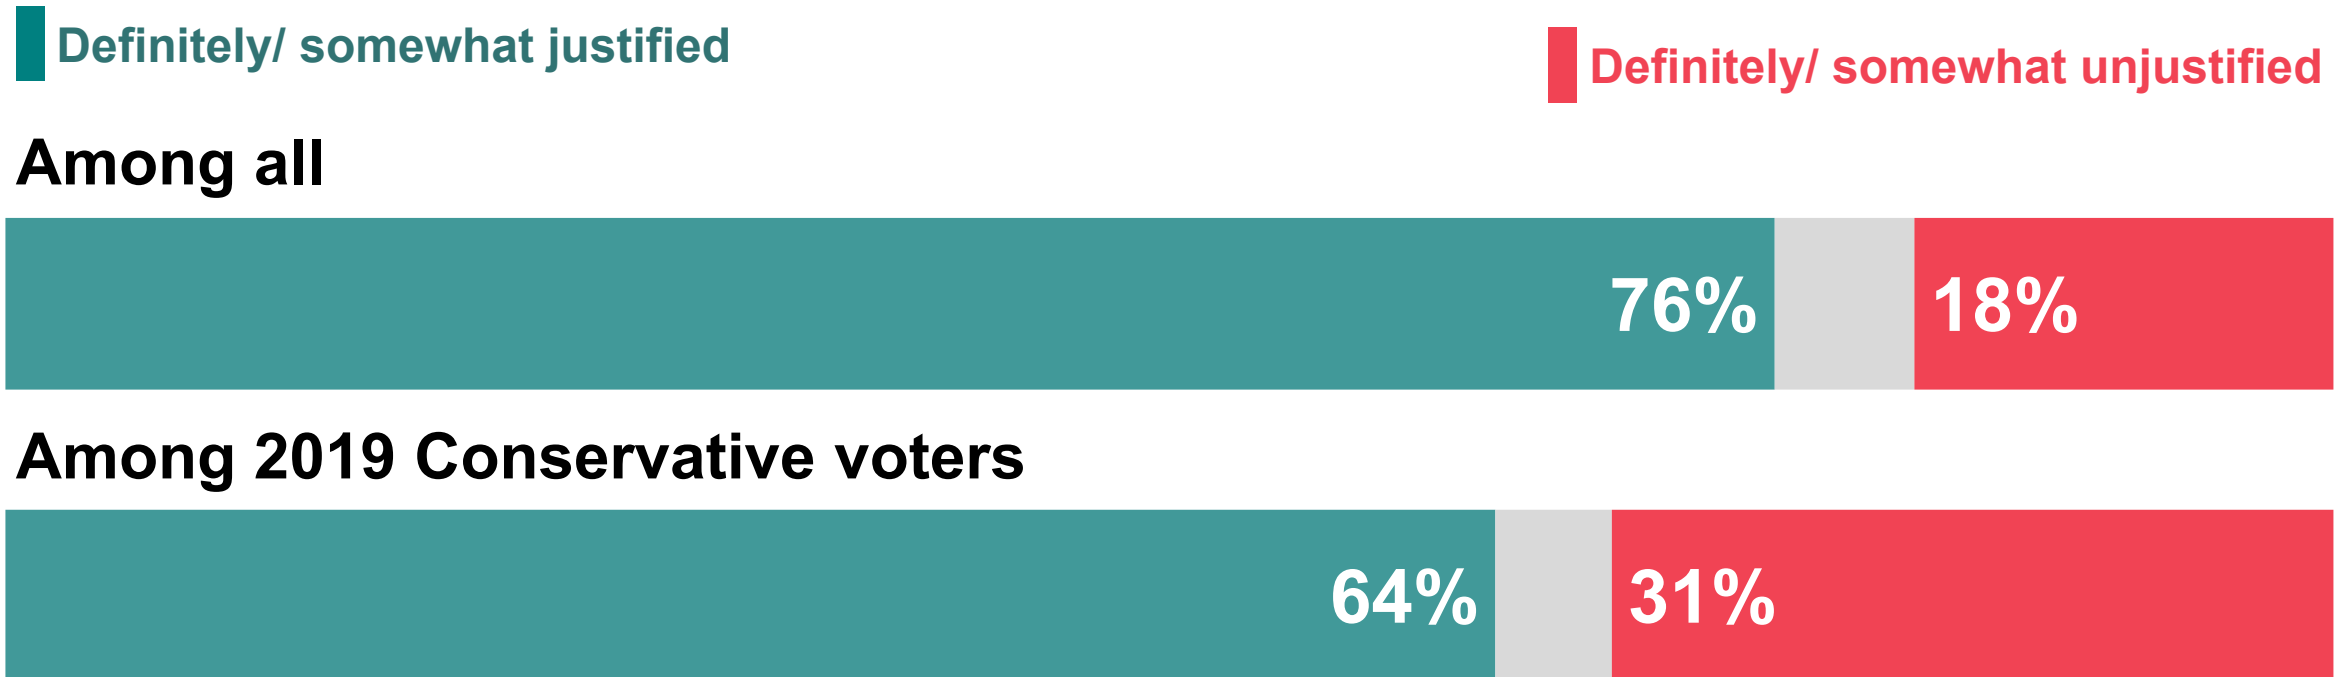

To what extent, if at all, do you think each of the following has generally treated ... fairly or unfairly during his time as Prime Minister/leader of the Labour party? *Among own 2019 party voters*

Base: 1,001 Online British adults aged 18-75, 17-18th August 2022. Including 2019 Conservative voters (274) and 2019 Labour voters (260)

Three in four think an investigation into Boris Johnson by the Privileges Committee is justified - including almost two in three 2019 Conservative voters

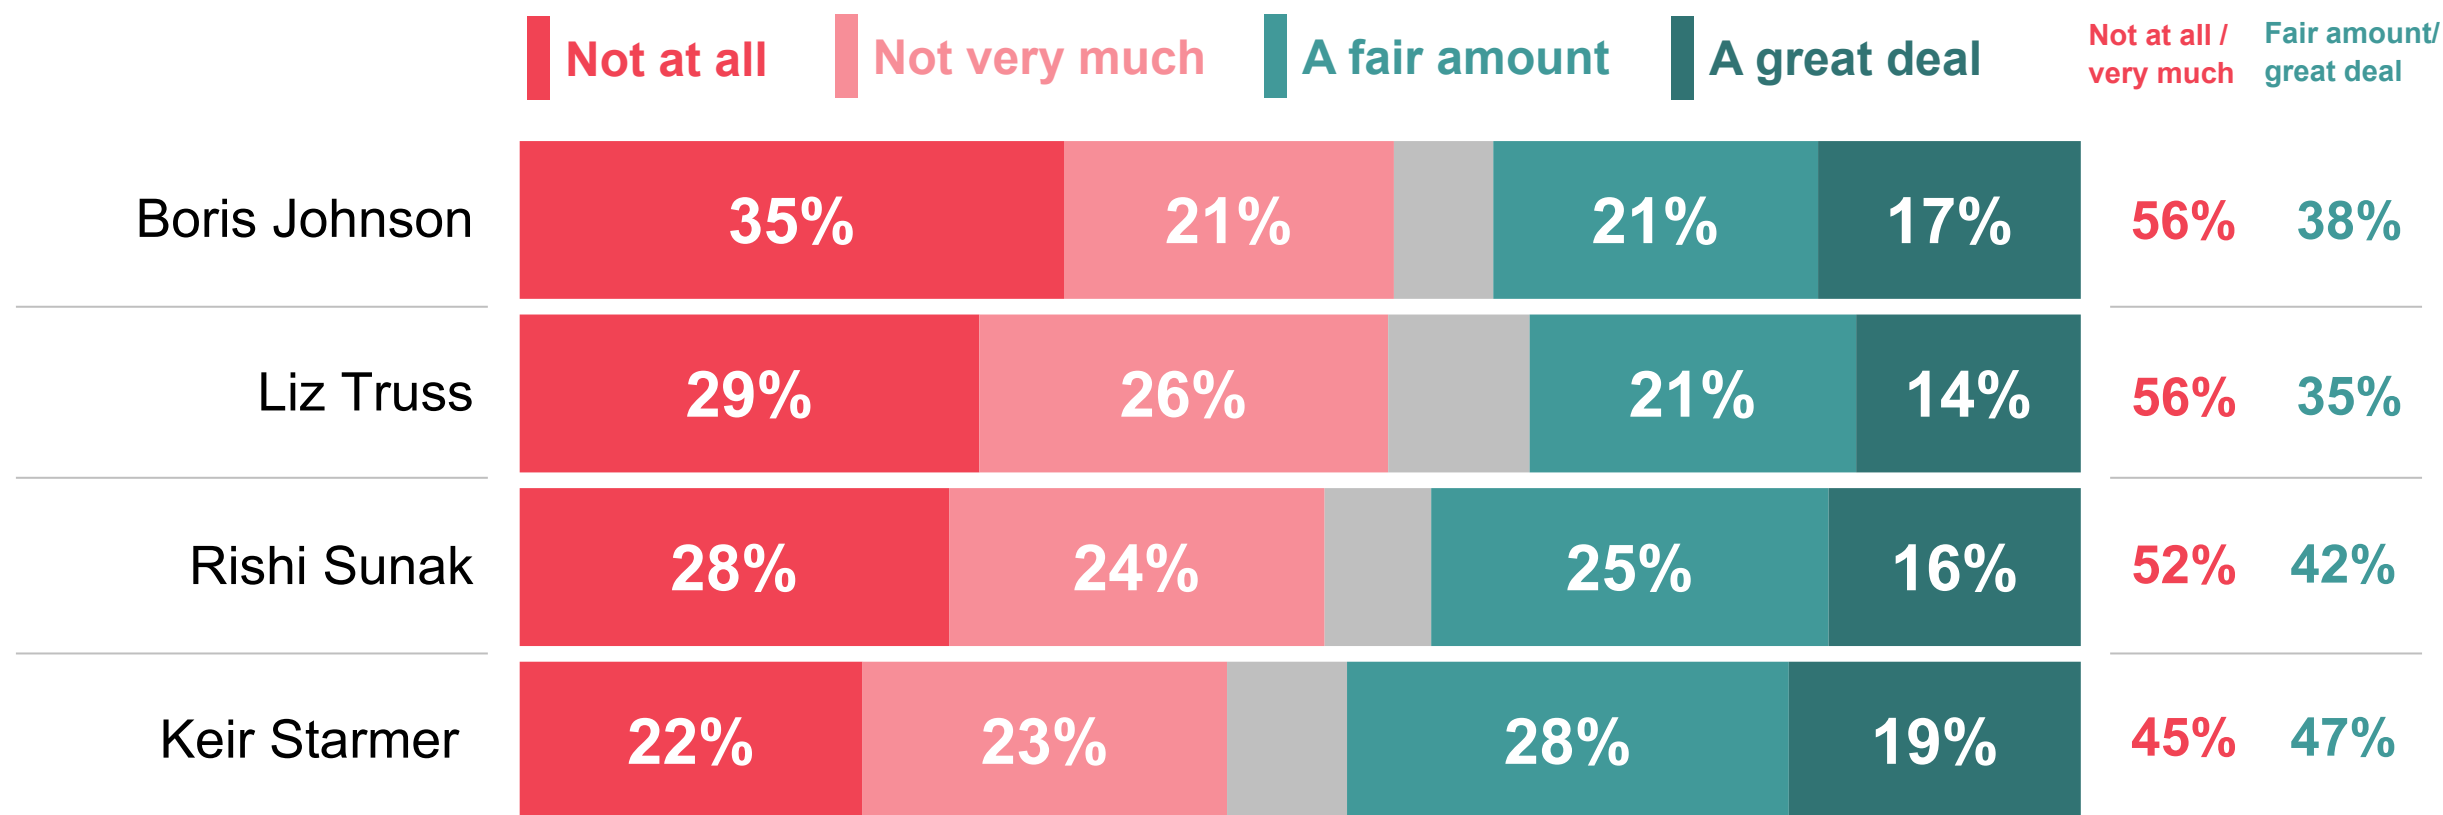

As you may know, Boris Johnson is being investigated by the House of Commons Privileges Committee for having potentially misled parliament over “partygate” allegations. It is currently scheduled to report its findings towards the end of the year. To what extent, if at all, do you think this investigation into Boris Johnson by the Privileges Committee is justified or unjustified?

Base: 1,001 Online British adults aged 18-75, 17-18th August 2022. Including 2019 Conservative voters (274).

Who would you trust to manage the cost-of-living crisis?

To what extent, if at all, would you trust each of the following to manage the cost-of-living crisis if they were Prime Minister? Would you trust them...?

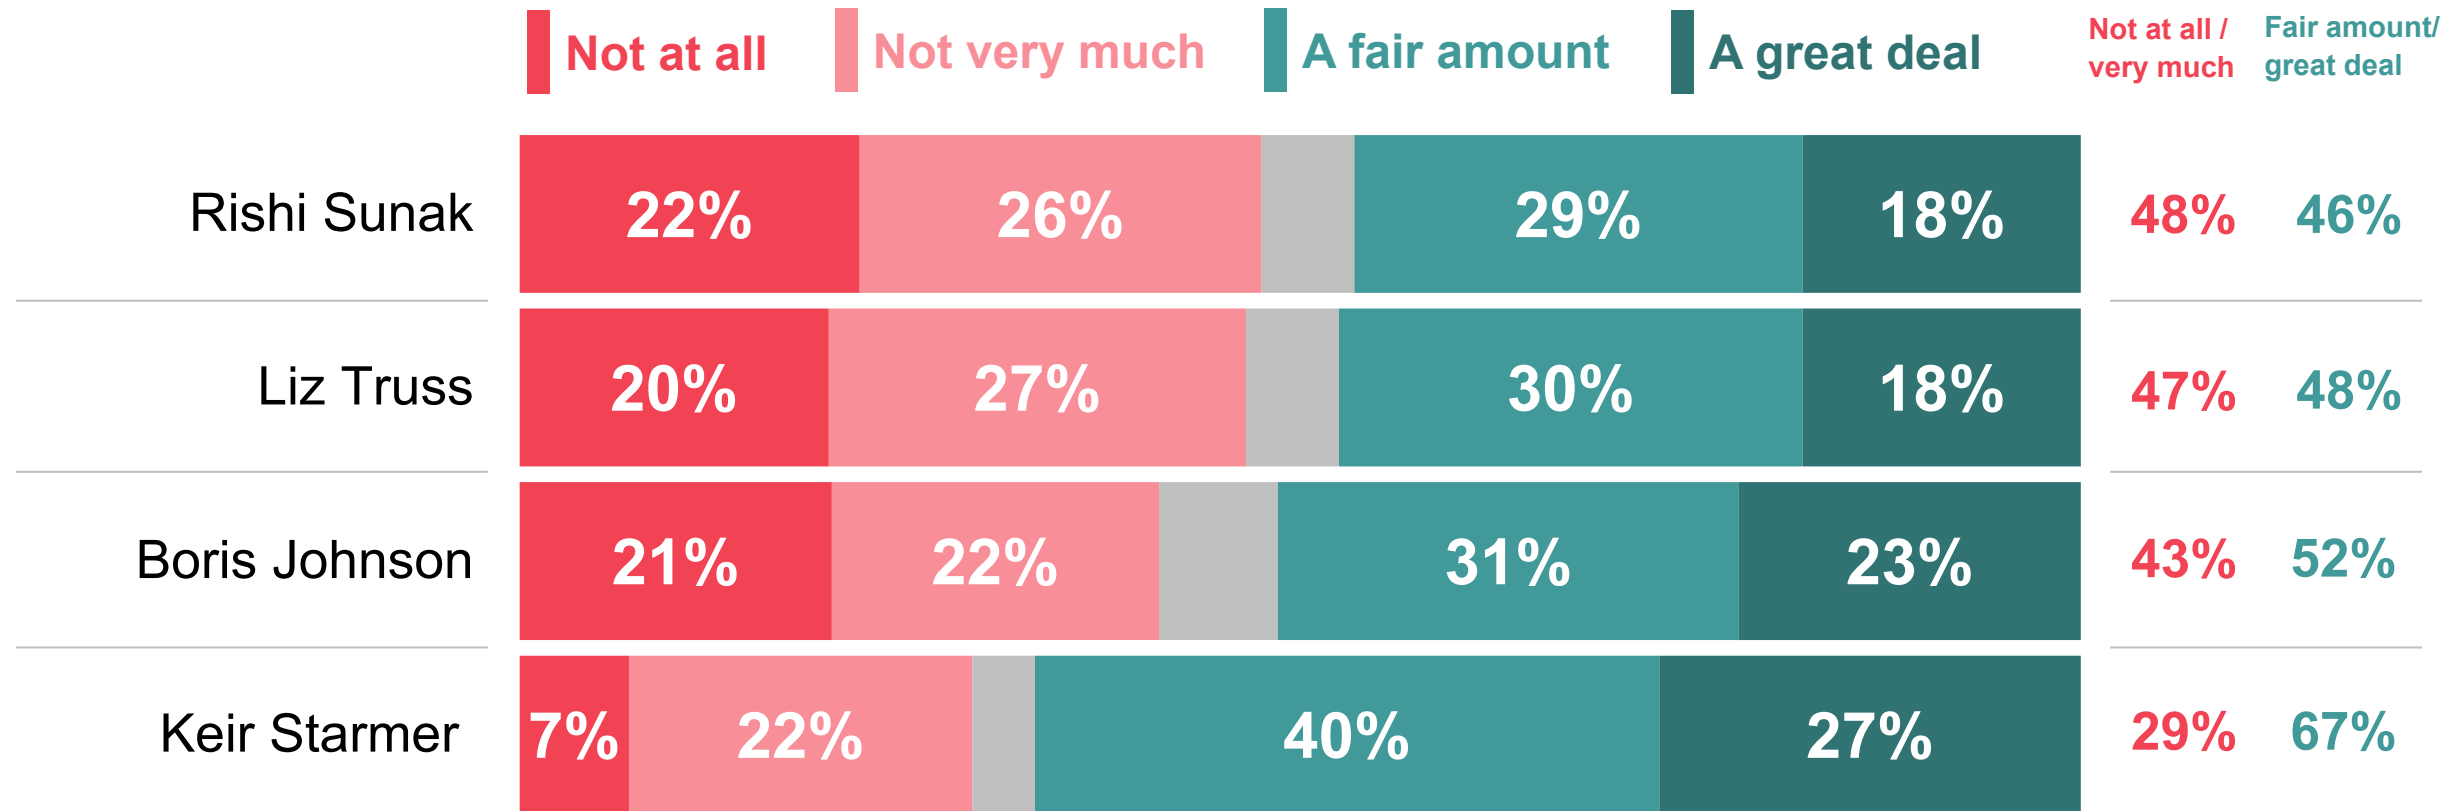

Base: 1,001 Online British adults aged 18-75, 17-18th August 2022

Who would you trust to manage the cost-of-living crisis?

Among 2019 own party voters

To what extent, if at all, would you trust each of the following to manage the cost-of-living crisis if they were Prime Minister? Would you trust them...?

Base: 1,001 Online British adults aged 18-75, 17-18th August 2022. Including 2019 Conservative voters (274) and 2019 Labour voters (260)
