Table 312

QC1. How much do you agree or disagree with the following statements? SUMMARY TABLE

Base: All

	If a person from my background/heritage gambled, it would embarrass/bring shame on those of the same background as mine.	I feel sympathy towards someone who struggles with/has problems with gambling	People of my background view gambling as an everyday activity	I would feel comfortable talking with my friends and family if I felt worried about my gambling	I would feel comfortable talking to a gambling support service provider (e.g. therapists) if I felt worried about my gambling	I would feel comfortable talking to a healthcare provider (e.g. doctors, nurses) if I felt worried about my gambling	People from my background/heritage who take part in gambling are more likely to be judged or viewed negatively by wider society	People from my background/heritage who are suffering from gambling harm are more likely to be judged or viewed negatively by wider society
