QB4. SUMMARY TABLE

Base: All those who have gambled / had gambling problems in the past

	Have you bet more than you could really afford to lose	Have you needed to gamble with larger amounts of money to get the same excitement	When you gambled, did you go back another day to try and win back the money you lost	Have you borrowed money or sold anything to get money to gamble	Have you felt that you might have a problem with gambling	Has gambling caused you any mental health problems, including stress or anxiety	Have people criticised your betting or told you that you had a gambling problem, regardless of whether or not you thought it was true	Has your gambling caused any financial problems for you or your household	Have you felt guilty about the way you gamble or what happens when you gamble	Have you ever lied to people important to you about how much you gamble	Have you ever chosen to gamble rather than spend time with friends and family	Have you ever found yourself losing track of the world around you as a result of time	Have you ever missed time from work as a result of gambling

QC1. How much do you agree or disagree with the following statements? SUMMARY TABLE

Base: All

	If a person from my background/ heritage gambled, it would embarrass/bring shame on those of the same background as mine.	I feel sympathy towards someone who struggles with/has problems with gambling	People of my background view gambling as an everyday activity	I would feel comfortable talking with my friends and family if I felt worried about my gambling	I would feel comfortable talking to a gambling support service provider (e.g. therapists) if I felt worried about my gambling	I would feel comfortable talking to a healthcare provider (e.g. doctors, nurses) if I felt worried about my gambling	People from my background/ heritage who take part in gambling are more likely to be judged or viewed negatively by wider society	People from my background/ heritage who are suffering from gambling harm are more likely to be judged or viewed negatively by wider society
