(JUN23)Q13. As you may know, Labour have recently announced a delay in their policy to spend £28 billion a year investing in green energy projects if they win the next General Election. Shadow Chancellor Rachel Reeves has said this pledge will not be met until the second half of the next parliament due to the country's financial circumstances. Thinking about Labour's decision to announce a delay to this policy. Which, if any, of the following do you think this announcement shows about Labour?
