RWANDA2. The UK Government policy is to refuse permission to seek asylum in the UK to anybody who has crossed the Channel without permission. Those who do so could be sent to Rwanda, to apply for asylum there instead. On balance, to what extent, if at all, do you support or oppose this policy?

WANDA2. The UK Government policy is to refuse permission to seek asylum in the UK to anybody who has crossed the Channel without permission. Those who do so could be sent to Rwanda, to apply for asylum there instead. On balance, to what extent, if at all, do you support or oppose this policy? All respondents
