Scottish Political Monitor - November 2023

**MATHES.** As you may know, Michael Matheson, Scottish Government Cabinet Secretary for Health and Social Care, incurred a data roaming bill of nearly £11,000 from the use of his parliamentary iPad while he was on holiday in Morocco. He said last week that his iPad was used by family members as an internet hotspot. Thinking specifically about this issue and not other factors, do you think Michael Matheson should resign as Cabinet Secretary for Health and Social Care over this issue, or should continue being Cabinet Secretary?

Scottish Political Monitor - November 2023

**MATHES.** As you may know, Michael Matheson, Scottish Government Cabinet Secretary for Health and Social Care, incurred a data roaming bill of nearly £11,000 from the use of his parliamentary iPad while he was on holiday in Morocco. He said last week that his iPad was used by family members as an internet hotspot. Thinking specifically about this issue and not other factors, do you think Michael Matheson should resign as Cabinet Secretary for Health and Social Care over this issue, or should continue being Cabinet Secretary?
