Table 7

Q2. As you may know, the Labour Party has recently announced it would renationalise passenger rail services within five years if it wins the next election, with a new public body taking over service contracts currently held by private firms as they expire. To what extent, if at all, would you support or oppose this policy?

22-085423-18 - STRIKES
30TH APRIL - 2ND MAY 2024
PUBLIC

2 May 2024

Table 17
Q4. As you may know, workers from some sectors have been on strike over the past year or are considering strike action in the future. From what you know or have heard, to what extent, if at all, would you support or oppose strikes by each of the following, if they did decide to strike? Teachers

Table 29

Q6b. And compared to the current UK Government, do you think a Labour Government led by Keir Starmer would do a better or worse job at negotiating with trade unions to prevent public sector workers going on strike, or would it make no difference?

Base: All Adults aged 18-75 in Great Britain

	TOTAL	Gender		Age					Region					Employment Status		Social Grade		Education		GE 2019 Vote			EU Ref Vote
