

# ELECTION 2024: THE NHS AND PRIVATE COMPANIES

June 2024

Q1

Q. How concerned are you, if at all, about the pressure that NHS services are under at the moment?

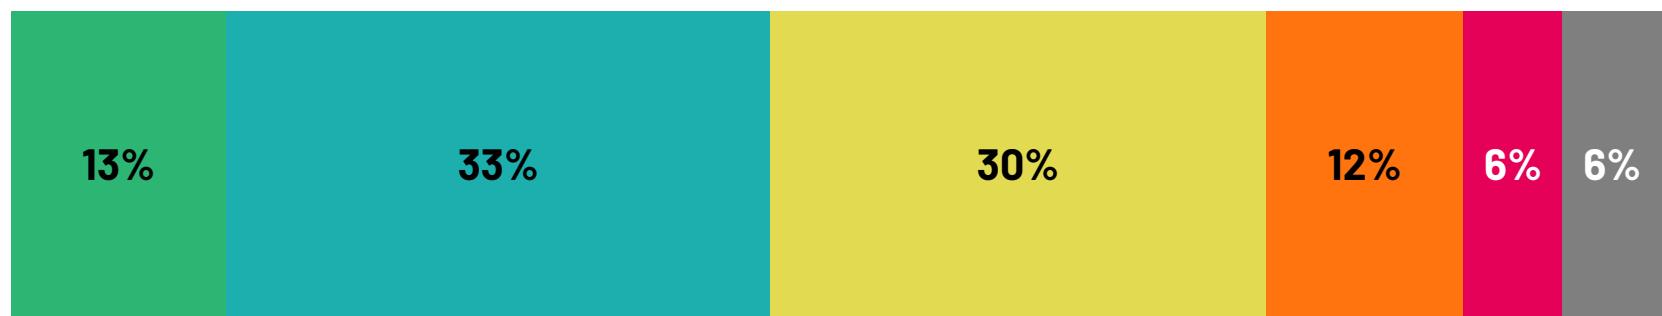

Base: 1,099 adults aged 16-75 in Great Britain  
14-17 June, 2024

## Views on using private companies to provide NHS services

Q. Sometimes the NHS pays for patients to be treated by private healthcare companies to help the NHS treat more patients. To what extent do you support or oppose using private companies to provide NHS services, or do you have no feelings either way?

**Support  
46%**

**Oppose  
17%**

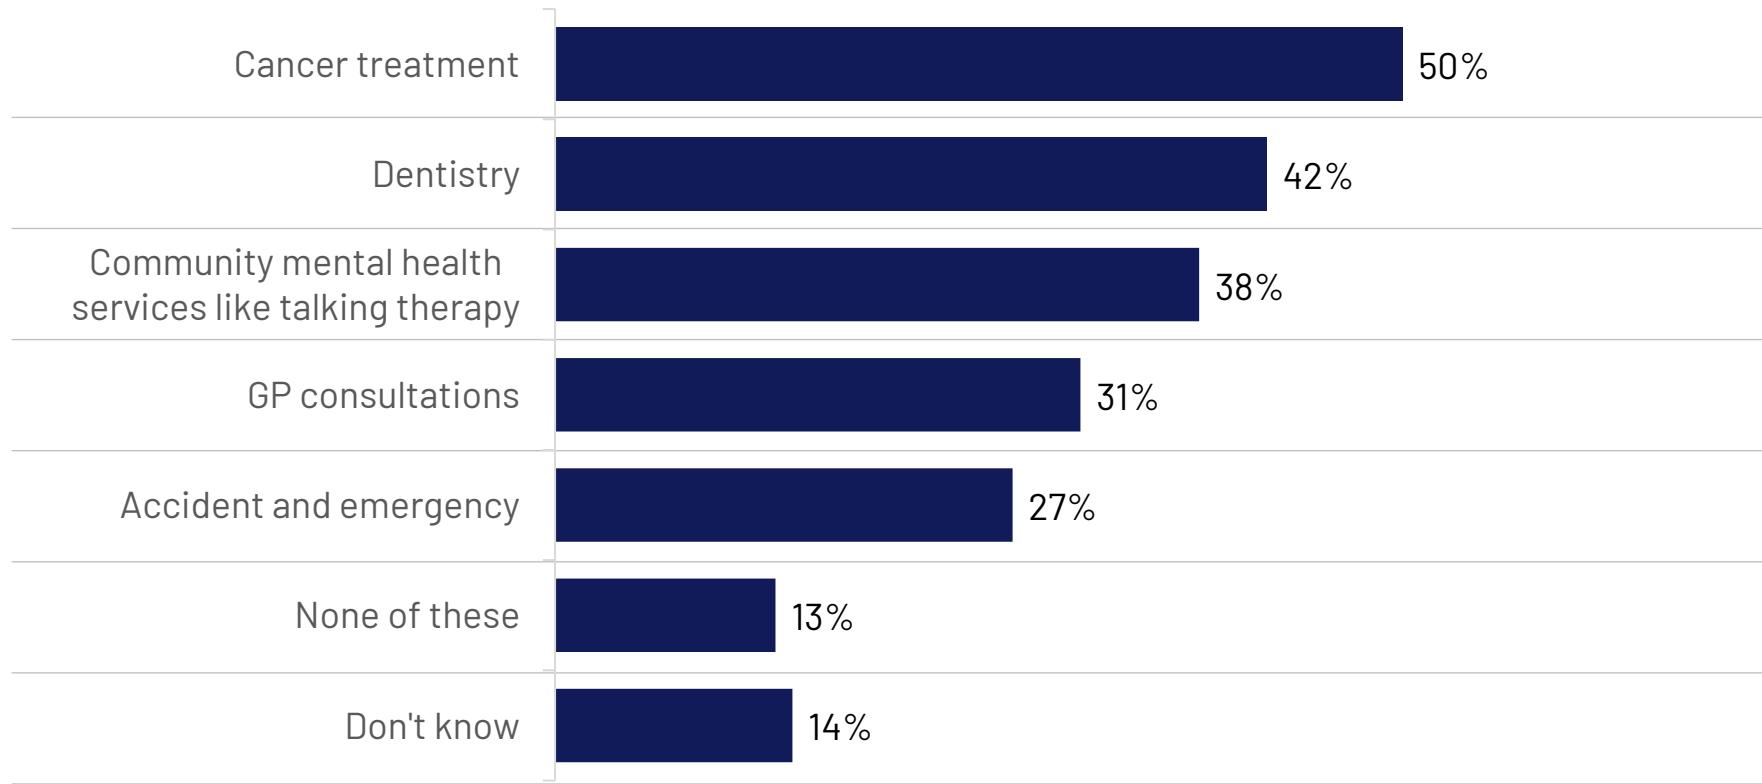

■ Strongly support   ■ Tend to support   ■ Neither support nor oppose   ■ Tend to oppose   ■ Strongly oppose   ■ Don't know

Base: 1,099 adults aged 16-75 in Great Britain  
14-17 June, 2024

## Which NHS services private companies could provide

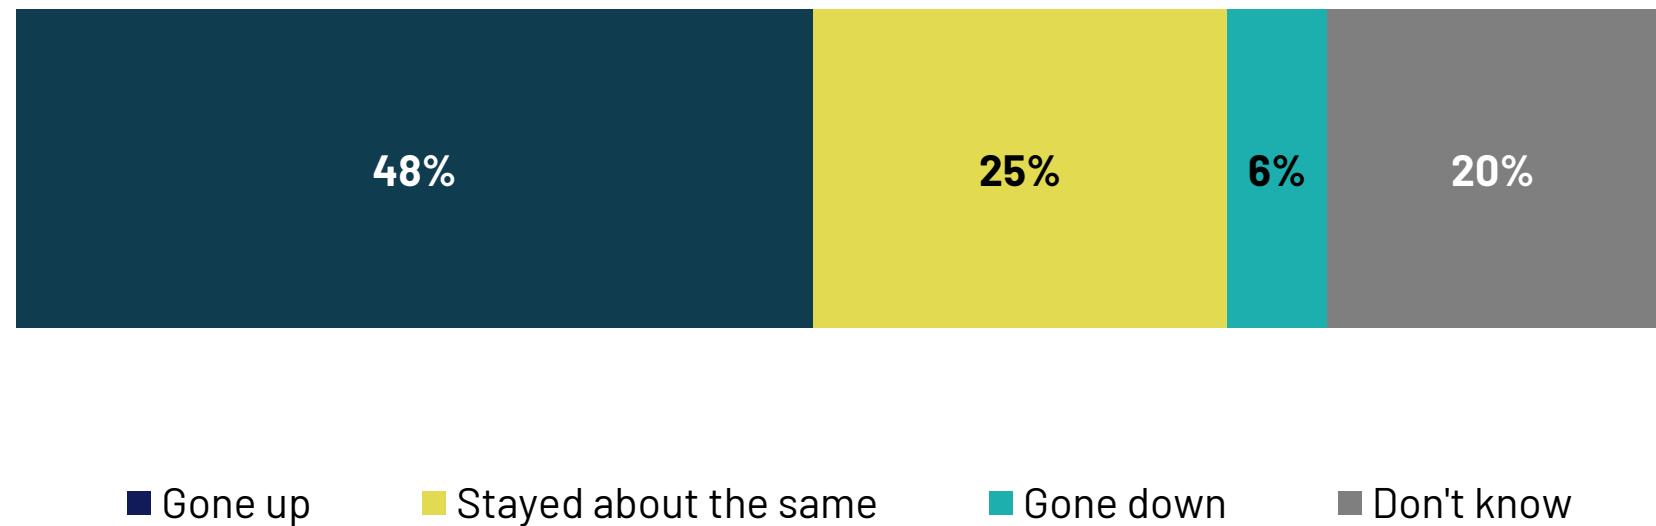

Q. Which of the following types of health services, if any, would you support the NHS using private companies to provide?

Base: 1,099 adults aged 16-75 in Great Britain  
14-17 June, 2024

## Whether and how NHS use of private companies has changed in last 5 years

Q. Over the last five years, do you think the NHS's use of private companies to provide health treatment has gone up, gone down, or stayed about the same?

Base: 1,099 adults aged 16-75 in Great Britain  
14-17 June, 2024
