1	1_1. To what extent do you agree or disagree with the following statements: - I expect public bodies to comply with and implement laws passed by the legislative assembly
2	1_2. To what extent do you agree or disagree with the following statements: - I expect public bodies to act on the recommendations that they receive from independent oversight bodies like the Ombudsperson, Office of the Information and Privacy Commissioner, Representative for Children and Youth, and Auditor General
3	1_3. To what extent do you agree or disagree with the following statements: - I expect a public body should create and maintain full and accurate records necessary for the efficient and effective administration of activities
4	1_4. To what extent do you agree or disagree with the following statements: - I expect that when a public body has the option to exercise its discretion in releasing information it will consider the public interest in disclosure
5	1_5. To what extent do you agree or disagree with the following statements: - I expect all political parties and their candidates to collect, protect and respect my personal information by complying with provincial privacy laws
6	1. To what extent do you agree or disagree with the following statements: - T2B Summary
7	1. To what extent do you agree or disagree with the following statements: - B2B Summary
8	2_1. To what extent do you agree or disagree with the following statements: - I expect public bodies to maintain accurate and complete records of their activities
9	2_2. To what extent do you agree or disagree with the following statements: - I expect public bodies to be able to readily find and retrieve records
10	2_3. To what extent do you agree or disagree with the following statements: - I expect public bodies to align records management systems to international standards
11	2_4. To what extent do you agree or disagree with the following statements: - I expect public bodies to have an organization-specific set of policies and procedures about records management and open government
12	2_5. To what extent do you agree or disagree with the following statements: - I expect public bodies to maintain and regularly review organization-specific file classification plans that are used to organize records
13	2. To what extent do you agree or disagree with the following statements: - T2B Summary
14	2. To what extent do you agree or disagree with the following statements: - B2B Summary
15	3_1. To what extent do you agree or disagree with the following statements: - I expect public bodies to identify and regularly review types of documents and data that can released without request
16	3_2. To what extent do you agree or disagree with the following statements: - I expect public bodies to respond to freedom of information requests within the 30-business day statutory timelines unless a specific, articulable, and legitimate reason can be given to extend the timeline otherwise
17	3_3. To what extent do you agree or disagree with the following statements: - I expect public bodies to respect that fees are a barrier to access and not charge the optional \$10 application fee
18	3_4. To what extent do you agree or disagree with the following statements: - I expect public bodies to ensure the use of fees is principled and restricted to evidence-based calculations for processing large and complex requests, rather than on arbitrary estimates
19	3_5. To what extent do you agree or disagree with the following statements: - I expect public bodies to ensure that when fees are used, the applicant is paying for a large and complex request rather than poor records management on the part of the public body
20	3. To what extent do you agree or disagree with the following statements: - T2B Summary
21	3. To what extent do you agree or disagree with the following statements: - B2B Summary
22	4_1. To ensure the highest standards of public sector recordkeeping are met and the public interest is considered, how important do you think it is to make the following prospective changes: - Changing organizational cultures towards accepting public interest disclosure and improving records management practice
23	4_2. To ensure the highest standards of public sector recordkeeping are met and the public interest is considered, how important do you think it is to make the following prospective changes: - New regulations that ensure records management systems meet international standards
24	4_3. To ensure the highest standards of public sector recordkeeping are met and the public interest is considered, how important do you think it is to make the following prospective changes: - Increasing resource allocation to freedom of information and records management functions in public bodies to reduce administrative burden and develop in-house expertise
25	4_4. To ensure the highest standards of public sector recordkeeping are met and the public interest is considered, how important do you think it is to make the following prospective changes: - Legislation establishing an office to hold public bodies accountable for recordkeeping, akin to an auditor for records
26	4_5. To ensure the highest standards of public sector recordkeeping are met and the public interest is considered, how important do you think it is to make the following prospective changes: - Legislation to introduce administrative monetary penalties for public bodies that unjustifiably delay processing freedom of information requests and have unjustifiable recordkeeping failures
27	4. To ensure the highest standards of public sector recordkeeping are met and the public interest is considered, how important do you think it is to make the following prospective changes: - T2B Summary
28	4. To ensure the highest standards of public sector recordkeeping are met and the public interest is considered, how important do you think it is to make the following prospective changes: - B2B Summary
29	5. Choose the statements that best reflect your knowledge of your access to information privacy rights
