

Ipsos NHS polling

October 2024

Around 7 in 10 say they have used NHS resources responsibly due to concerns around the state of the NHS

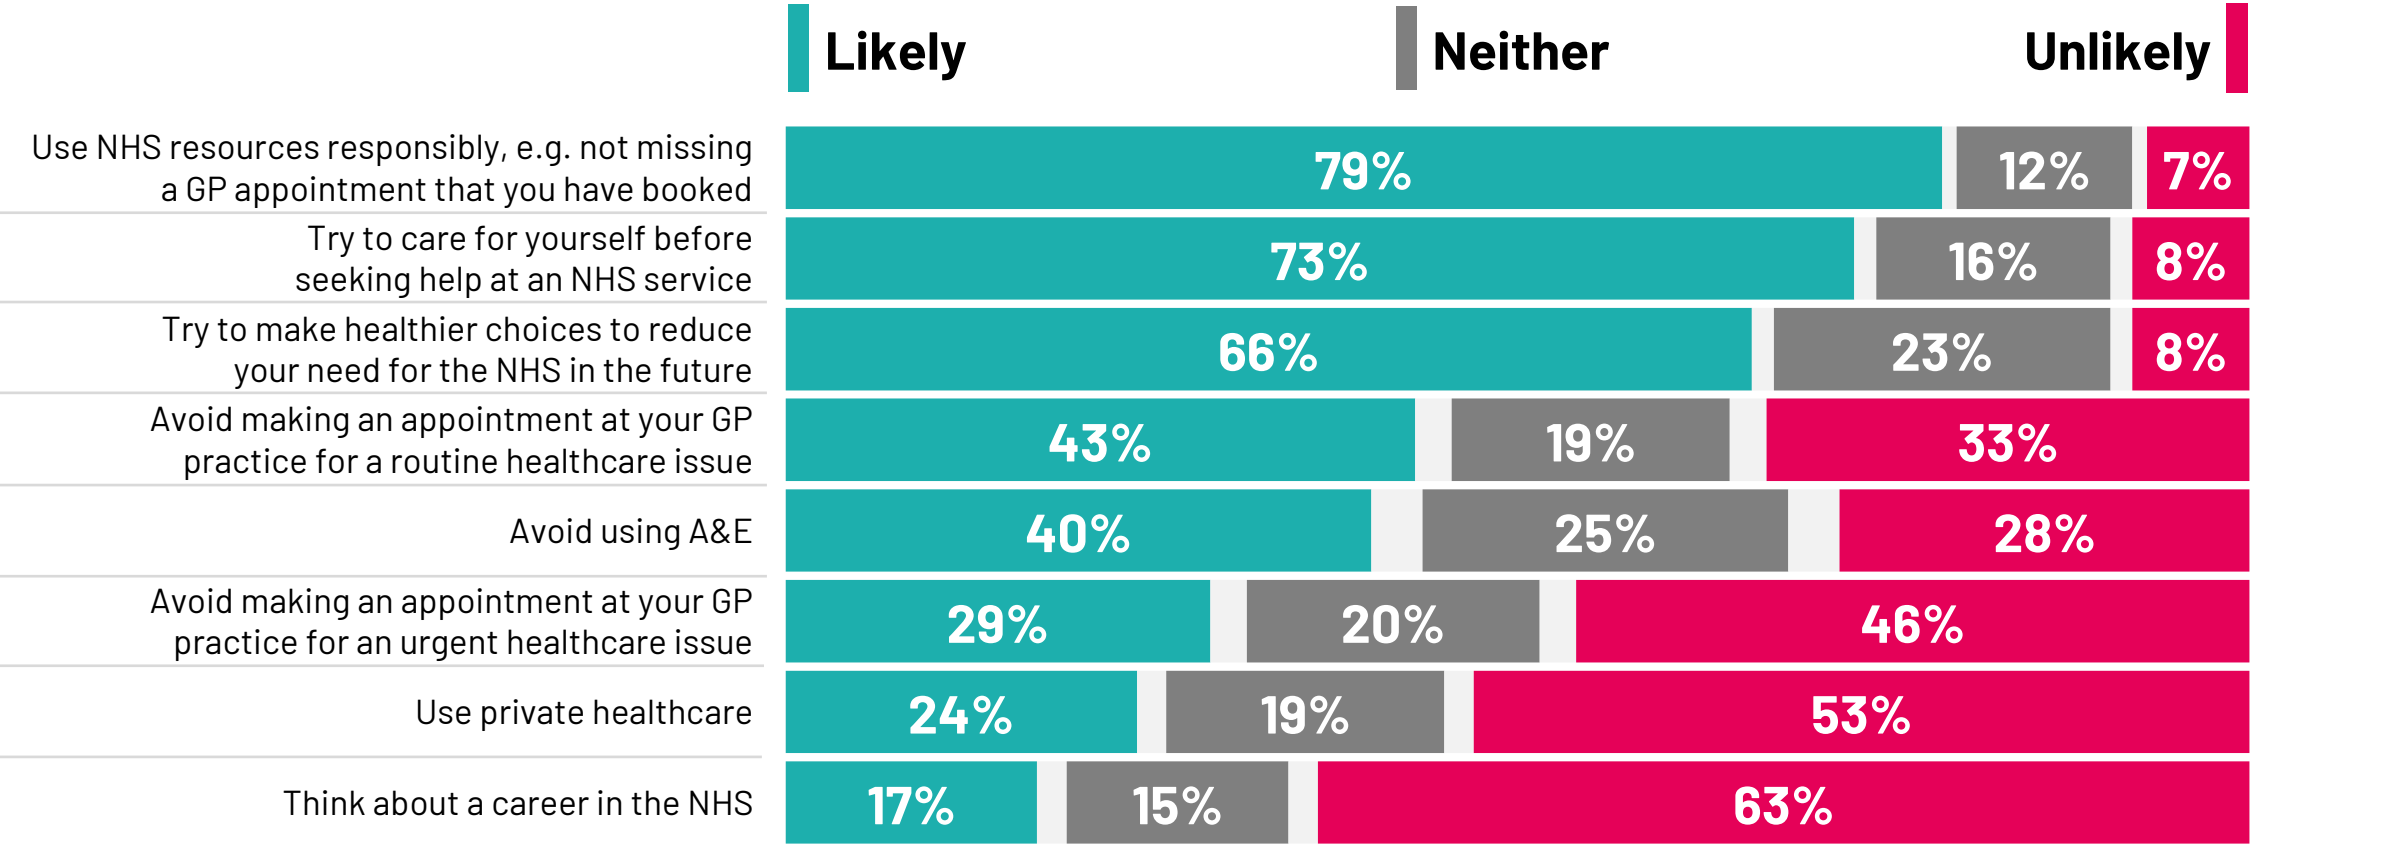

Have you done any of the following in the last year, specifically because of concern about the state of the NHS?

Base: 1,093 Online British adults aged 18-75, 11-14 October 2024

Around 4 in 5 say they are likely to use NHS resources responsibly in the future because of concern about the state of the NHS

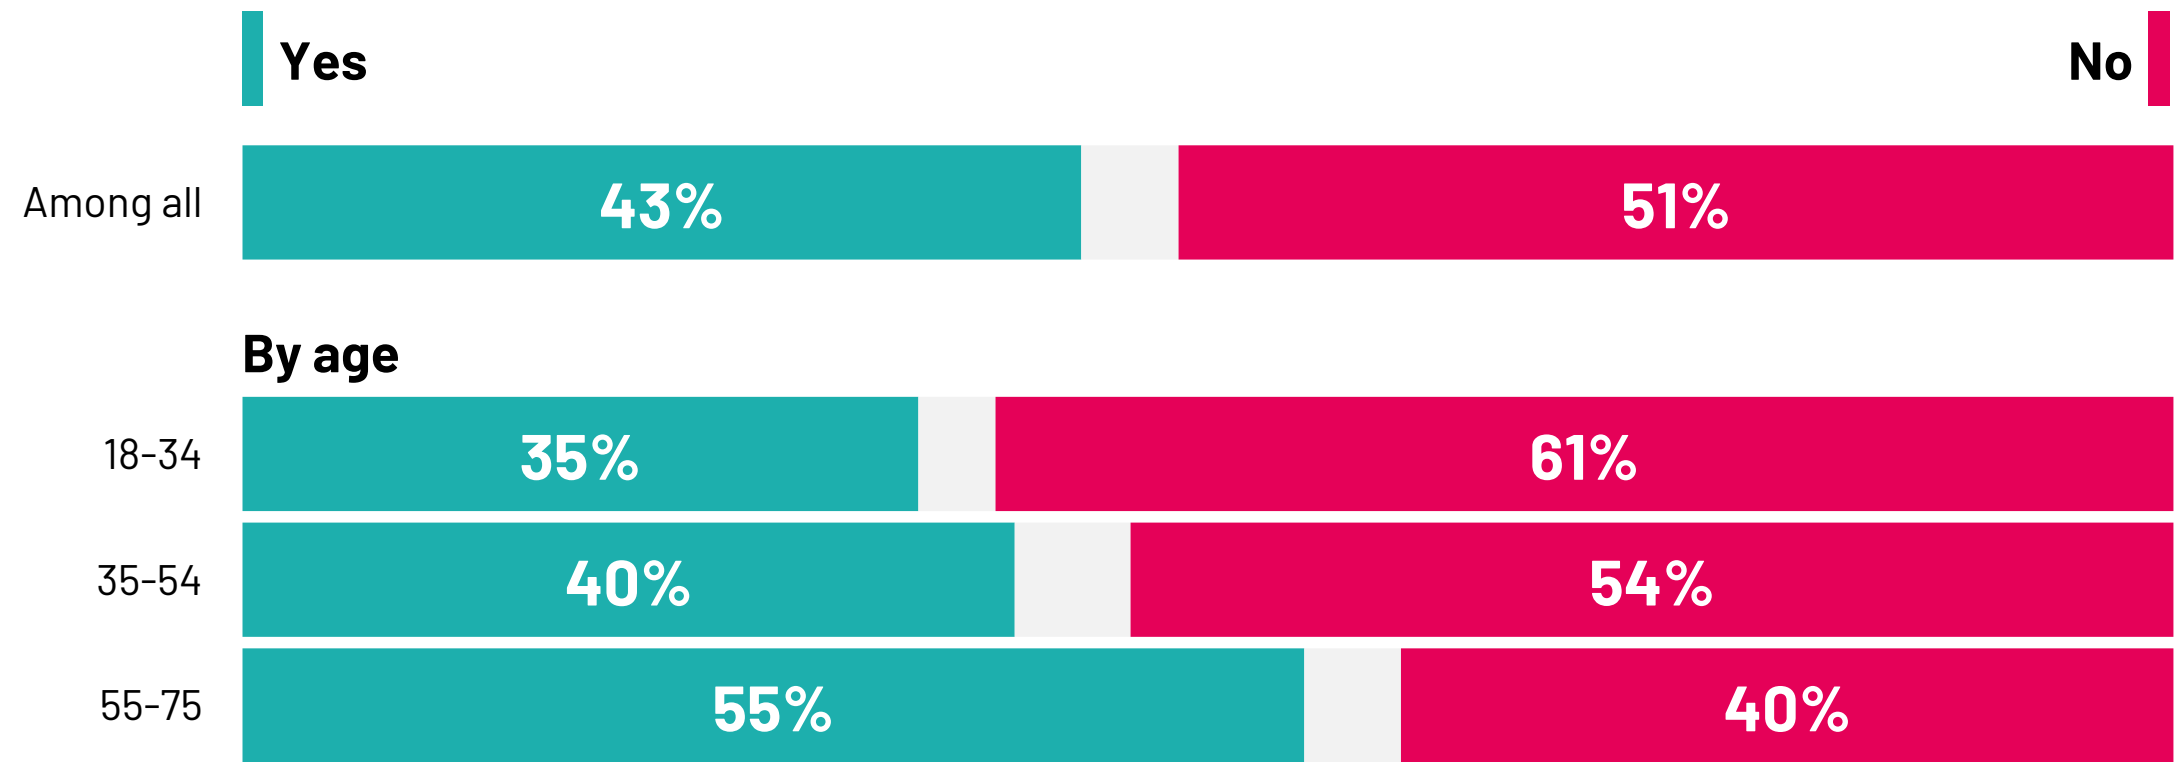

And how likely or unlikely are you to do each of the following in the future, specifically because of concern about the state of the NHS?

Base: 1,093 Online British adults aged 18-75, 11-14 October 2024

Those aged 55-75 are more likely than other age groups to say that they have recently heard Wes Streeting say the NHS is broken

As you may know, the Secretary of State for Health and Social Care, Wes Streeting, has recently said that ‘the NHS is broken.’ Prior to this survey, had you seen, heard, or read anything about Mr. Streeting saying this?

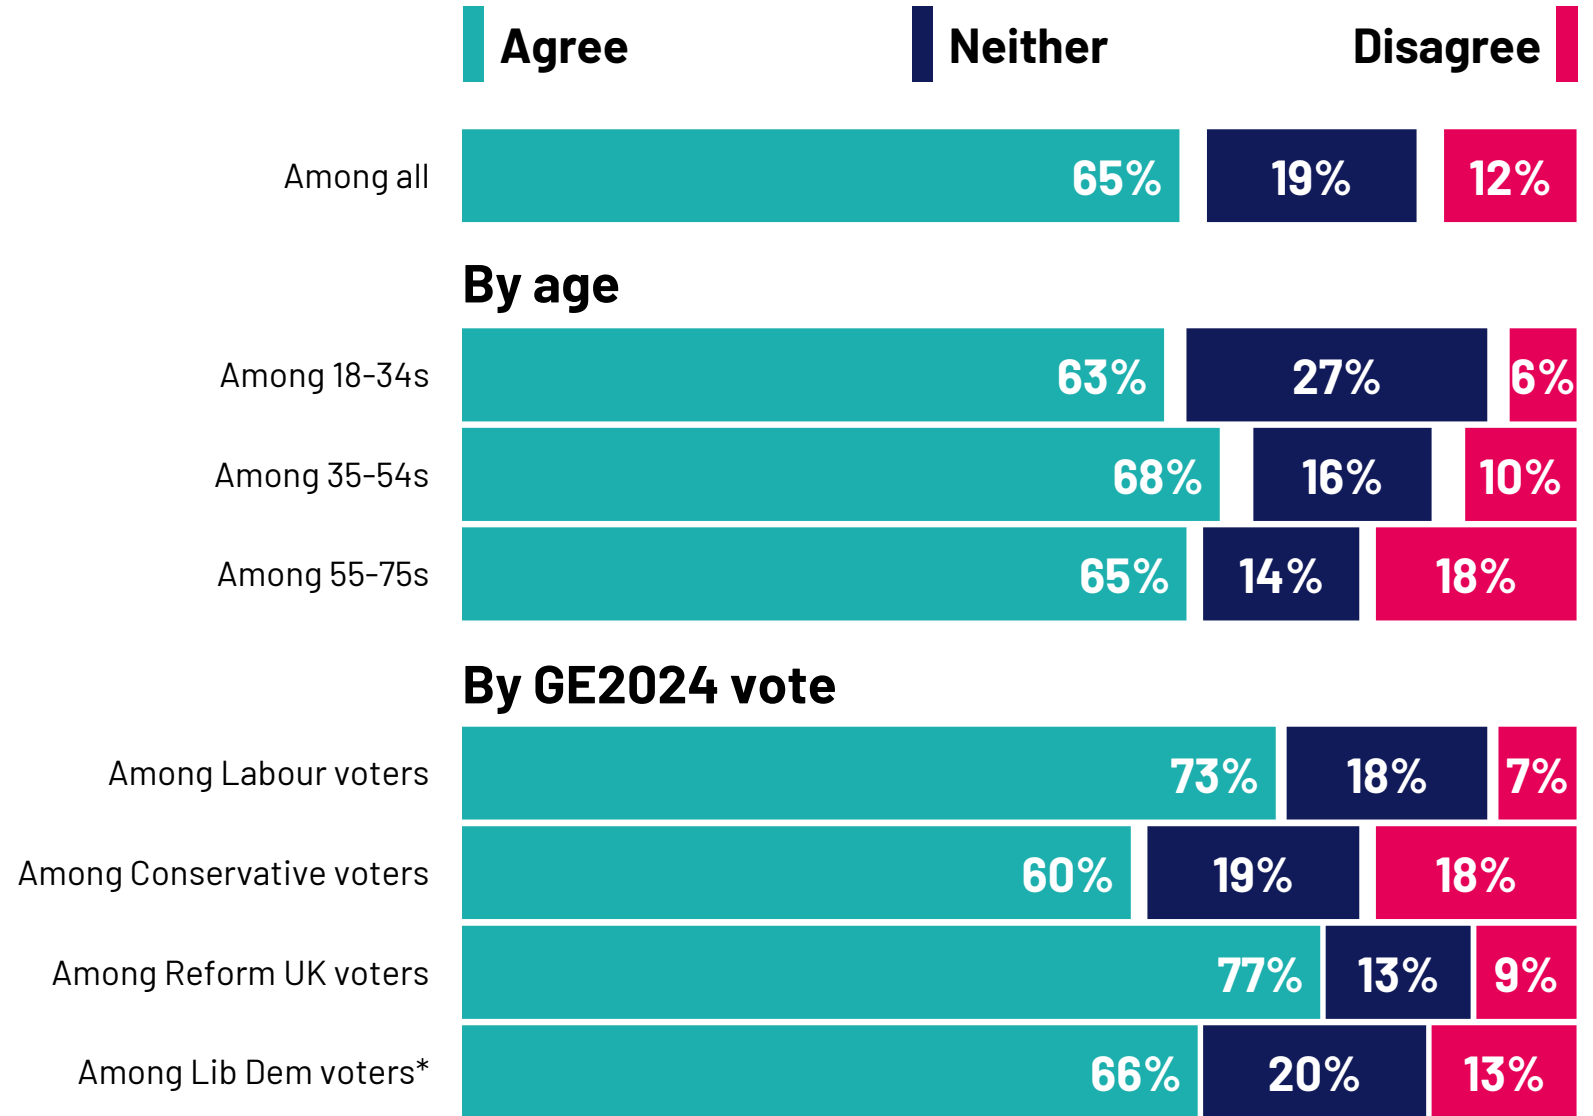

Base: 1,093 Online British adults aged 18-75, including (360) 18-34s, (385) 35-54s and (348) 55+, 11-14 October 2024

Around two thirds agree with Wes Streeting's statement that the NHS is broken

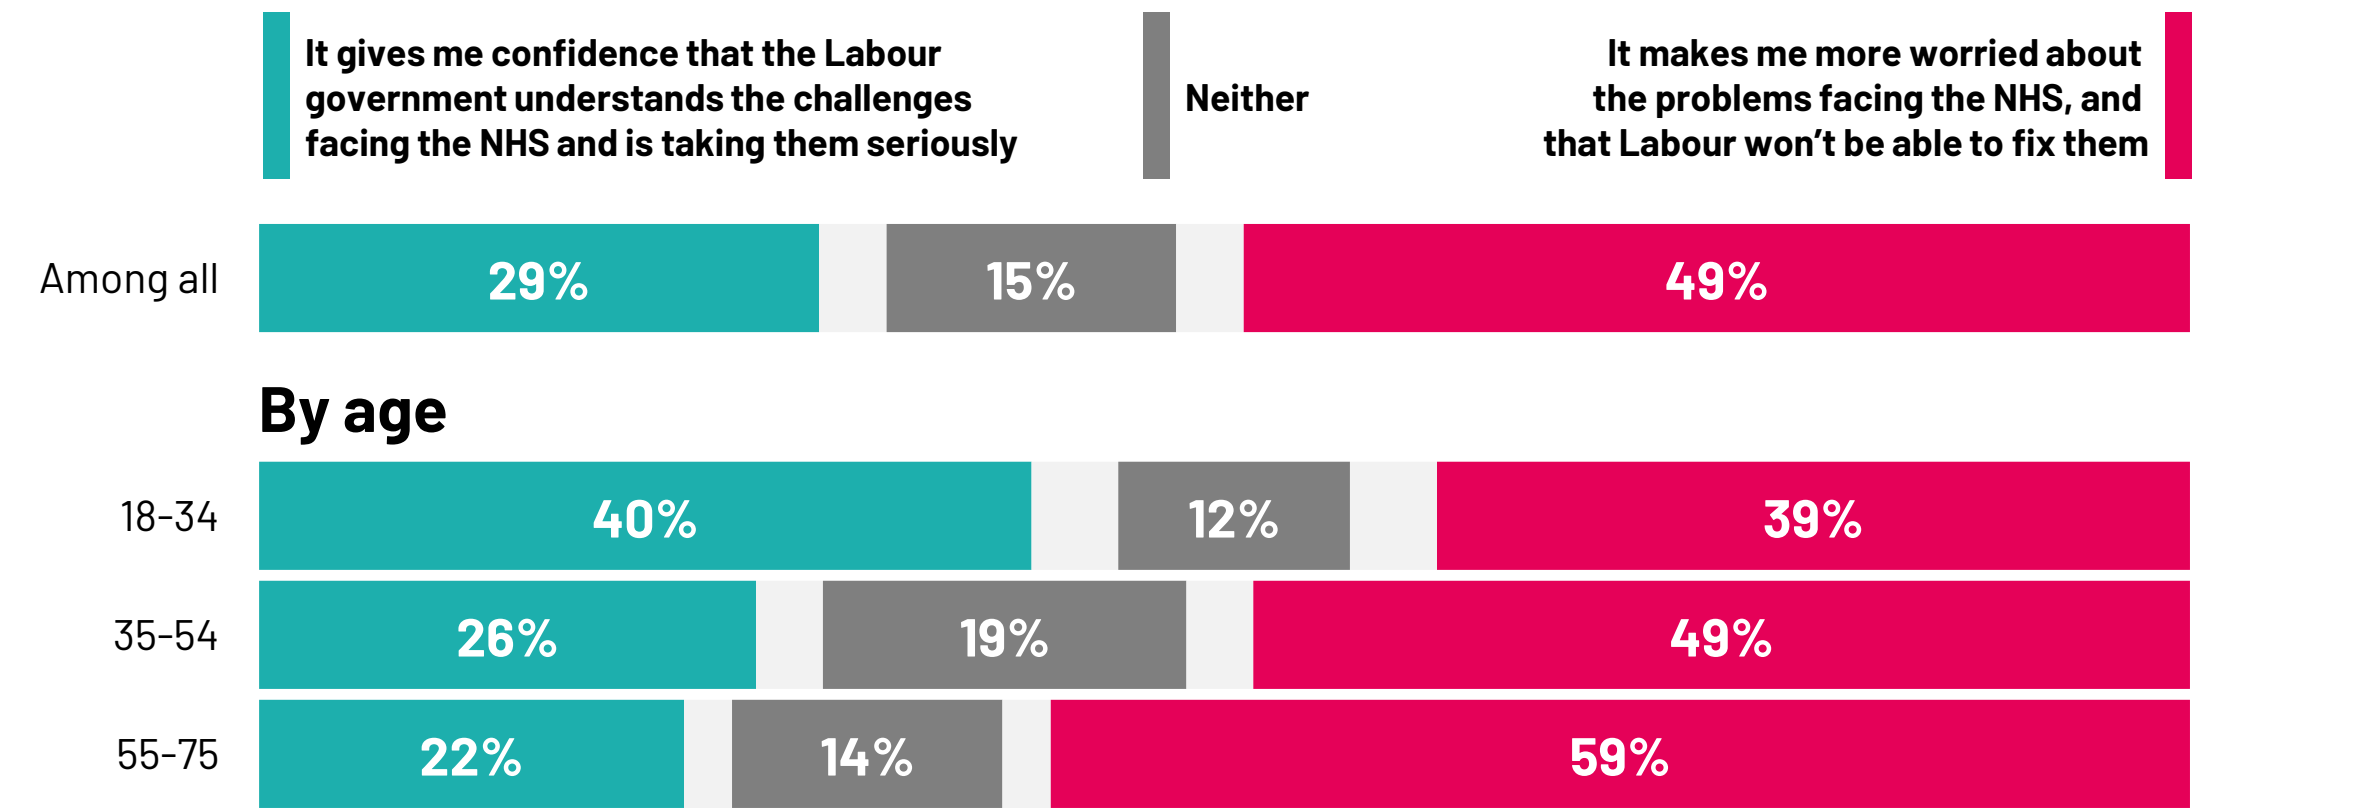

To what extent do you agree or disagree with Mr Streeting's statement, 'the NHS is broken'

Base: 1,093 Online British adults aged 18-75, including (360) 18-34-year-olds, (385) 35-54s and (348) 55-75s, (373) 2024 Labour voters, (156) 2024 Conservative voters, (128) 2024 Reform UK voters, and (81) Liberal Democrat voters, 11-14 October 2024. *Note low base size

Around half say that they are more worried about the problems facing the NHS, and that Labour won't be able to fix them, due to Wes Streeting's statement

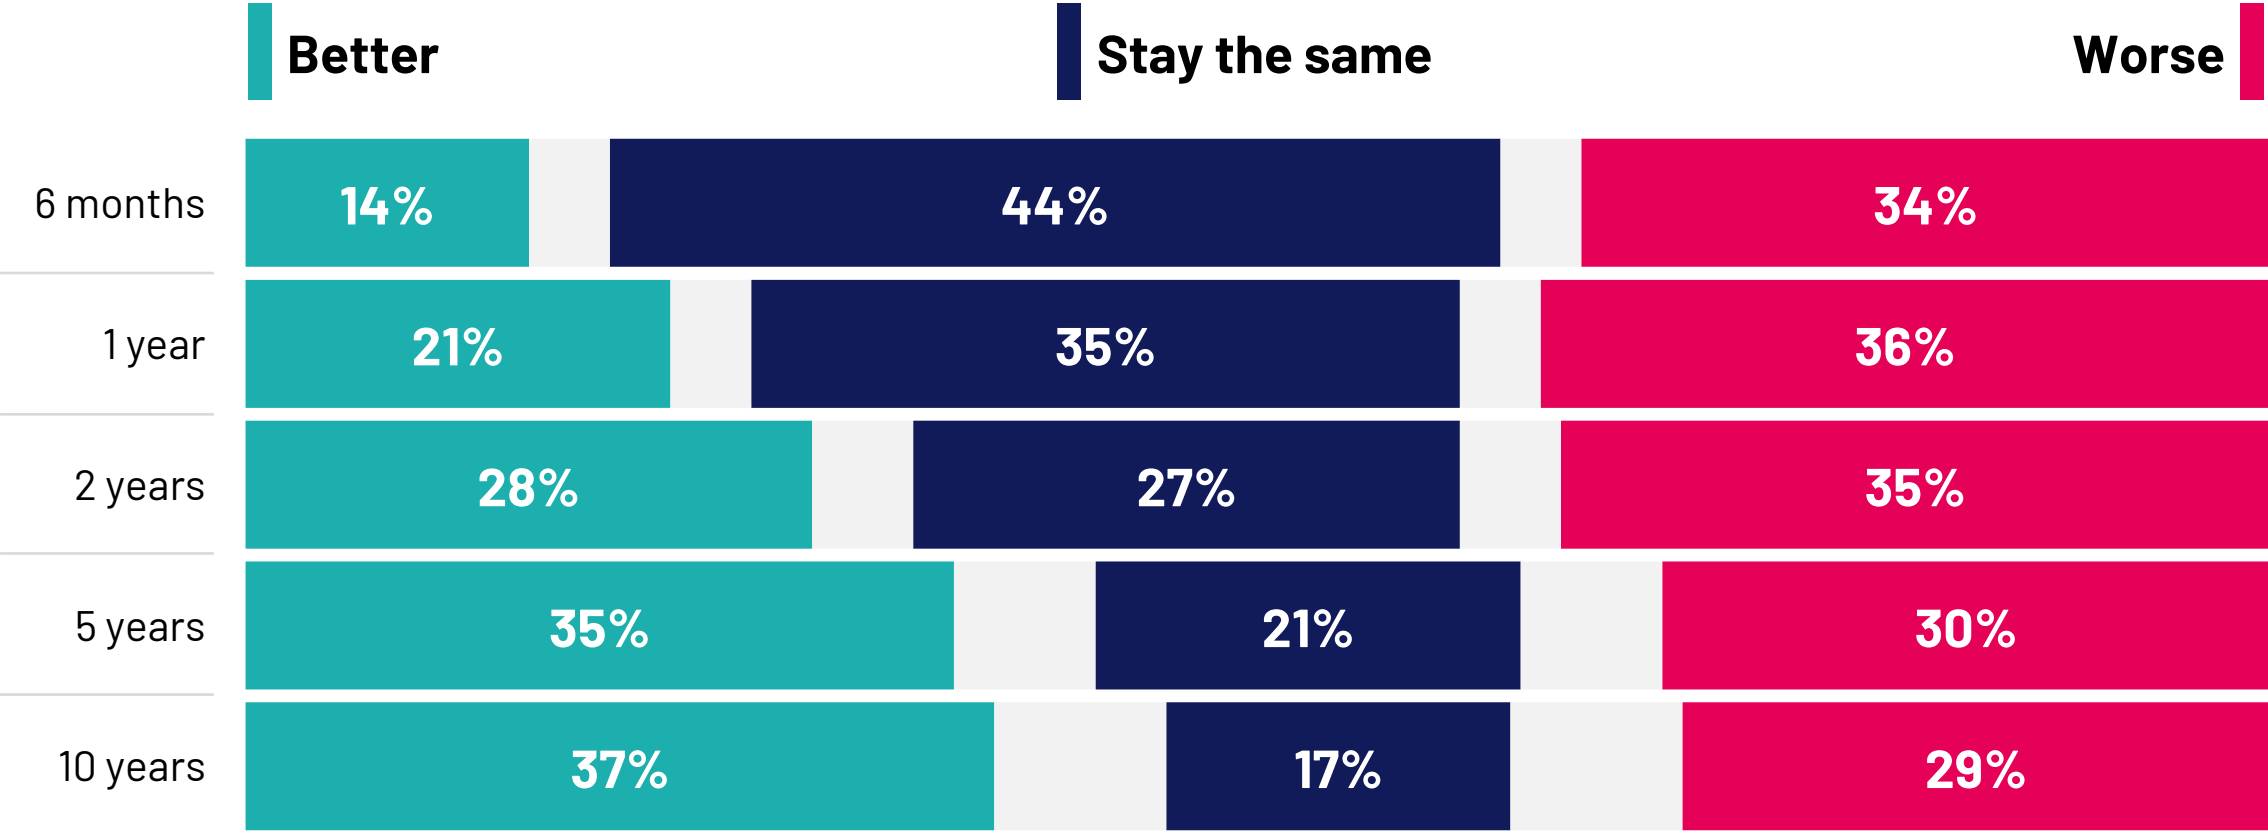

Now knowing that Mr. Streeting has said that the NHS is broken, which of the following statements comes closest to your view about Labour's ability to resolve the challenges facing the NHS?

Base: 1,093 Online British adults aged 18-75, including (360) 18-34s, (385) 35-54s and (348) 55+, 11-14 October 2024

Whilst the public are split between whether the NHS will stay the same or get worse in the short-term, they are slightly more likely to think it will get better over the next 5 years

Do you think that the NHS will get better, stay the same, or get worse over the next ...?

Base: 1,093 Online British adults aged 18-75, 11-14 October 2024
