ENVSPACE. Please think about the public, green or open space in your local area that is nearest to your home, for example a park, countryside, wood, play area, canal path, riverside or beach. How satisfied or dissatisfied are you with the quality of the space? This might include how well it meets your needs, whether it is safe, attractive, free of litter or other mess, and the quality of the facilities if there are any.

ENVSPACE. Please think about the public, green or open space in your local area that is nearest to your home, for example a park, countryside, wood, play area, canal path, riverside or beach. How satisfied or dissatisfied are you with the quality of the space? This might include how well it meets your needs, whether it is safe, attractive, free of litter or other mess, and the quality of the facilities if there are any.
