Table 13

Q3B You mentioned you were concerned about the response times of ambulances in your local area. Does this concern make you more or less likely to seek alternative forms of transport if you / a loved one needed to get to the hospital in an emergency, or does it have no impact? Alternative forms of transport may include driving yourself, taking the bus or getting a taxi or friend to take you, for example.

Base: ALL WHO ARE CONCERNED ABOUT THE RESPONSE TIMES OF AMBULANCES IN THEIR LOCAL AREA

Table 14

Q3B You mentioned you were concerned about the response times of ambulances in your local area. Does this concern make you more or less likely to seek alternative forms of transport if you / a loved one needed to get to the hospital in an emergency, or does it have no impact? Alternative forms of transport may include driving yourself, taking the bus or getting a taxi or friend to take you, for example.
