

1. Do you or someone you know currently have a Personal Support Worker (PSW)? PSWs typically help individuals with daily living activities, such as hygiene, meals, and mobility, and work as part of patient care teams. They work in a variety of environments, be it in long-term care homes, hospitals, or in-home care. They may also use job titles such as Social Worker, Health Care Aide, Patient Care Aide, Resident Care Aide.
