QASYLUMPOLICY2. To what extent do you support or oppose the following proposed UK policies on asylum and refugees? - Summary
All respondents

	QASYLUMPOLICY2. To what extent do you support or oppose the following proposed UK policies on asylum and refugees?		
	The UK should agree with France a capped number of people that the UK will admit into the UK each year to claim asylum by authorised routes, in return for France agreeing to take back those who cross the channel without permission.	The UK should agree with France a capped number of people that the UK will admit into the UK each year to claim asylum by authorised routes, up to a maximum of 50,000, in return for France agreeing to take back those who cross the channel without permission.	The UK should provide more legal routes for people to claim asylum legally in the UK.

QASYLUMPOLICY2. To what extent do you support or oppose the following proposed UK policies on asylum and refugees? - The UK should agree with France a capped number of people that the UK will admit into the UK each year to claim asylum by authorised routes, up to a maximum of 50,000, in return for France agreeing to take back those who cross the channel without permission.
