QMIL1. Below is a list of things the current Labour government led by Keir Starmer has said they would like to achieve by the end of this Parliament in 2029. In your opinion, do you think they are doing a good job or a bad job, if either, at delivering in the following areas? - Reducing net migration from the record high levels seen in recent years by reforming our approach to the labour market, addressing skills shortages here in the UK, and clamping down on employers who exploit the visa system

QMIL1. Below is a list of things the current Labour government led by Keir Starmer has said they would like to achieve by the end of this Parliament in 2029. In your opinion, do you think they are doing a good job or a bad job, if either, at delivering in the following areas? - Ensuring that at least 75% of five-year-olds in England are ready to learn when they start school

QMIL3. Since the last election in July 2024, how much progress, if any, have you noticed being made by the current Labour government towards achieving each of the following? - Reducing net migration from the record high levels seen in recent years by reforming our approach to the labour market, addressing skills shortages here in the UK, and clamping down on employers who exploit the visa system
