Q5_new. To what extent, if at all, would you support or oppose the UK government adopting each of the following policies in response to the closure of the Strait of Hormuz? - Summary
GB adults aged 18+

	Q5_new. To what extent, if at all, would you support or oppose the UK government adopting each of the following policies in response to the closure of the Strait of Hormuz?													
	Limiting the number of flights each British citizen can take	Limiting the frequency with which people can refuel their cars (e.g., odd number and even number days depending on the last digit of your number plate)	Reducing the speed limit on motorways by 10MPH in order to reduce fuel consumption	Subsidising the cost of public transport (through increased taxes or public borrowing or reduced public spending elsewhere)	Rationing the number of food or personal care items that an individual can purchase at one time	Subsidising household energy bills (through increased taxes or public borrowing or reduced public spending elsewhere)	Implementing a four-day working week for businesses	Mandating working from home for anyone who is able to complete their job not in an office	Limiting the days on which motorists can use the roads (e.g., odd number and even number days depending on the last digit of your number plate)	Subsidising the cost of petrol (through increased taxes or public borrowing or reduced public spending elsewhere)	Limiting how much petrol companies can increase fuel prices	Investing more money in renewables / green energy (through increased taxes or public borrowing or reduced public spending elsewhere)	Issuing more licences for companies to drill new wells for oil and gas in the North Sea	Cancelling the fuel duty increase scheduled for September
