28TH-30TH OCTOBER
INTERNAL/CLIENT USE ONLY
IPSOS

30 Oct 2026

Table 25
Q8 - To what extent, if at all, do you support or oppose each?

Base: All adults aged 18-75 in Great Britain

	Providing a £100 household energy payment for 20 million households in England in council tax bands A-D (with equivalent support for the rest of the UK)	Eliminating the fixed gas standing charge and adding the costs to the unit rate instead (so that the cost is transferred from households that use less gas to those who use more)	Increasing taxes on bank profits from 3% to 6%for 15 months from January	Extending the fuel duty freeze to July, previously due to end in January 2027	Increasing the living wage by 3.9%	An extra £432million funding for a programme aimed at reducing rough sleeping	Making online marketplaces such as Amazon, eBay, and Temu more responsible for collecting unpaid VAT from sellers on their platforms	Increasing the threshold at which retail, hospitality and leisure businesses start paying business rates from £12,000 to £18,000	Freezing the income tax thresholds, meaning people pay more tax on their income as their income rises	Increasing the taxfree allowance for low-income pensioners relying solely on the state pension so that they will not have to pay income tax	Extending the temporary VAT cut on electricity bills from April to July	Allowing mayors to keep 20% of the revenue from business rates from next year, & all of the money from business rates to be kept by local & regional government by end of the decade	Providing £15m for a fund to tackle misogyny in schools, in work and in communities	Providing an additional £1.5bn for the government's social and affordable housing programme	Removing import tariffs from more than a hundred imported food items, including baked beans and chocolate, and reducing tariffs on kerosene and fertiliser	Extending paid parental leave to self-employed fathers and their partners
