All adults aged 18-75 in Great Britain

Q5. Thinking about Britain's membership of the EU, how much, if anything, would you say you know about? - ... its potential advantages

All Adults aged 18-75 in Great Britain

		Attitudes to EU																					
		UK contributes too much to EU budget		EU is undemocratic		EU generates too much red tape		EU makes doing business easier for the UK in Europe		EU helps protect UK from global terrorism		Being part of EU means there are more jobs in the UK		The standard of living for me and my family would be lower if the UK left the EU		Number of immigrants coming into the UK is higher		EU takes too much power away from Britain		Attitudes to immigration

EU Perils of Perception
29th April - 5th May 2016
All adults aged 18-75 in Great Britain

Q6. To what extent you agree or disagree with each of the following statements about the EU and Britain? - The standard of living for me and my family would be lower if the UK left the EU

All Adults aged 18-75 in Great Britain

		Predictions as a result of Britain leaving the EU																				
		Number of EU immigrants coming into the UK			Number of unemployed people in the UK			Your own standard of living			UK exports to EU member states			Quality of the NHS			Direct investment into the UK from EU member states			Risk of major terrorist attack carried out in the UK

All adults aged 18-75 in Great Britain

Q7. Would you say that immigration has generally had a positive or negative impact on Britain?

All Adults aged 18-75 in Great Britain

		Predictions as a result of Britain leaving the EU																				
		Number of EU immigrants coming into the UK			Number of unemployed people in the UK			Your own standard of living			UK exports to EU member states			Quality of the NHS			Direct investment into the UK from EU member states			Risk of major terrorist attack carried out in the UK

All adults aged 18-75 in Great Britain

Q13. In total, there are about 8.3 million people living in the UK who were born in a country other than the UK. Out of every 100 of these people born in a different country, about how many do you think were born in another EU member state?

All Adults aged 18-75 in Great Britain

		Predictions as a result of Britain leaving the EU																				
		Number of EU immigrants coming into the UK			Number of unemployed people in the UK			Your own standard of living			UK exports to EU member states			Quality of the NHS			Direct investment into the UK from EU member states			Risk of major terrorist attack carried out in the UK

EU Perils of Perception
29th April - 5th May 2016
All adults aged 18-75 in Great Britain

Q15. From the following list, which do you think are the top three countries of birth for UK residents who were not born in the UK? Write in 1 for the country of birth where the highest number of people currently living in the UK were born, 2 for the second highest and 3 for the third highest. - Third highest number
All Adults aged 18-75 in Great Britain

		Attitudes to EU																				Positive impact on Britain	Negative impact on Britain
		UK contributes too much to EU budget		EU is undemocratic		EU generates too much red tape		EU makes doing business easier for the UK in Europe		EU helps protect UK from global terrorism		Being part of EU means there are more jobs in the UK		The standard of living for me and my family would be lower if the UK left the EU		Number of immigrants coming into the UK is higher		EU takes too much power away from Britain		Attitudes to immigration

Q30. Thinking ahead to the referendum on European Union membership in June, out of every 100 eligible voters in Britain, how many do you think will vote?

All Adults aged 18-75 in Great Britain

	Attitudes to EU																					
	UK contributes too much to EU budget			EU is undemocratic		EU generates too much red tape		EU makes doing business easier for the UK in Europe		EU helps protect UK from global terrorism		Being part of EU means there are more jobs in the UK		The standard of living for me and my family would be lower if the UK left the EU		Number of immigrants coming into the UK is higher		EU takes too much power away from Britain		Attitudes to immigration
