Questions for King's Polling Club

Table 9

(FEB16)Q3V2. The Queen is 90 this year, and Prince Charles has waited longer than any other heir to the throne in British history. Several other European monarchs have recently abdicated as they reached old age, and the last Pope also retired in his eighties. Do you think that the Queen should retire at some stage, or should she remain Queen for life?

Questions for King's Polling Club

Table 10

(FEB16)Q3V2. The Queen is 90 this year, and Prince Charles has waited longer than any other heir to the throne in British history. Several other European monarchs have recently abdicated as they reached old age, and the last Pope also retired in his eighties. Do you think that the Queen should retire at some stage, or should she remain Queen for life?
