Table 20

(OCT15)Q15(b). I am going to read a list of areas in which Britain's relationship with the European Union could change. For each one, can you please tell me whether it would make you more likely to vote for Britain to remain in the EU, more likely to vote for Britain to leave the EU, or if it would make no difference?

Restricting access to benefits that EU migrants can claim when in or out of work

Table 25

(OCT15)Q15(e). I am going to read a list of areas in which Britain's relationship with the European Union could change. For each one, can you please tell me whether it would make you more likely to vote for Britain to remain in the EU, more likely to vote for Britain to leave the EU, or if it would make no difference?

Preventing countries that use the Euro currency from imposing extra rules on the City of London
