

Habinteg-Papworth Accessible Housing Survey

Topline Results

- Ipsos MORI survey conducted on behalf of Habinteg-Papworth
- Survey results based on interviews with a sample of 2,074 British adults aged 15+
- Undertaken face-to-face, in-home between 16th March - 12th April 2016 using Ipsos MORI's face-to-face omnibus (Capibus).
- Data are weighted by age, gender, region, tenure, social grade, work status and disability to reflect the GB adult population.
- An asterisk (*) represents a value of less than one half or one percent, but not zero.
- Where results do not sum to 100%, this is due to computer rounding, multiple responses or the exclusion of 'don't know' categories
- Base: all 2,074 adults unless otherwise specified.

Q1. Out of every 100 adults in Britain, about how many do you think...

		Mean %
A	Are <u>older people</u>, 65 years of age or above, and who are ill long term or disabled in a way that limits their normal day to day activities?	36
B	Are <u>working age</u>, that is under 65 years of age, and who are ill long term or disabled in a way that limits their normal day to day activities?	25

Now for some questions on a different topic.

By 'long-term' I mean anything that affects someone over a period of time or that is likely to affect them over a period of time. Normal day to day activities include everyday things like eating, washing, walking and going shopping.

Now for some questions about you.

Q2. Which of these applies to your home? If you have more than one home, please think about the property you consider to be your MAIN home.

	It is being bought on a mortgage	30
	It is owned outright	32
	It is rented from the local authority	9
	It is rented from a private landlord	21
	It is rented from a housing association/trust	6
	Other	1
	Refused	1

Q3. Which of these best describes the property you are currently living in?

	%
Semi-detached house	30
Detached house	20
Bungalow	6
Terraced house	30
Flat or apartment	9
End-of-terrace house	4
Other	2
Don't know	*

Q4. Do you have any long-term illness, disability or infirmity that limits your normal day to day activities?

Please just read out the letter.

	%
A Yes I have a long-term illness, disability or infirmity that limits my activities all of the time	10
B Yes I have a long-term illness, disability or infirmity that limits my activities some of the time	10
C Yes I have a long-term illness, disability or infirmity that doesn't limit my activities	4
D I don't have any long-term illness, disability or infirmity	74
Rather not say/Don't know	2

Q5. Which of these statements best describes whether or not you provide long-term care for someone?

Please just read out the letter.

	%
A I provide long-term care for someone who lives with me	5
B I provide long-term care for someone who lives elsewhere	3
C I provide long-term care for both someone who lives with me and someone who lives elsewhere	1
D I do not provide long-term care for anyone	89
Rather not say/Don't know	2

Next, some more questions about your home.

Q6. Overall, taking everything into account, how satisfied or dissatisfied are you with the property you consider to be your MAIN home?

	%
Very satisfied	51
Fairly satisfied	33
Neither satisfied nor dissatisfied	7
Fairly dissatisfied	5
Very dissatisfied	4
Don't know	*

These next questions are about homes being accessible – that is, homes that people can get into and around without difficulty and which offer the capability for independent living (such as being able to wash or cook without assistance) whether or not people use a wheelchair or have a illness, disability or infirmity that limits their normal day to day activities?

Q7. Which of these, if any, do you think you personally will need within the next five years or so? Please just read out the letters. (Base: 2,074)

Q7a Which of these, if any, do you think the person(s) you care for will need within the next five years or so? Please just read out the letters. (Base: 188)

		Q7 %	Q7a %
A	Step-free access (no stairs) at the front of the property or up to the property from ground-level	5	18
B	A stair lift inside the property	5	15
C	A through-floor lift inside the property	1	4
D	A downstairs bathroom	6	21
E	Features or adaptations that make it easier to move around inside (e.g. wider doorways, extra handrails)	4	14
F	Features or adaptations that make it easier to use the kitchen	4	11
G	Features or adaptations that make it easier to use the bathroom (e.g. a wet room / level access shower)	6	20
H	Features or adaptations that make it easier to use heating and lighting	2	11
I	None of these	80	53
	Don't know	5	6

Q8. In principle, if you personally needed care and support at some point in your life as a result of a long-term illness, disability or infirmity, which, if any, of the following housing options would you favour the most...? (Base: 1,738)

Q8a In principle, which if any of the following housing options do you personally favour the most...? (Base: 295)

		Q8 %	Q8a %	Q8/ 8a combined %
A	Remain in current property with some adaptations being made, allowing you to live independently	47	60	50
B	Move to different property that is specifically designed or adapted to enable you to live independently	20	12	19
C	Move to accessible accommodation where you can receive specialist care and support – for example sheltered, supported, nursing or residential accommodation depending on your need	7	4	6
H	Other housing option	2	2	2
I	None of these	18	18	18
	Don't know	5	3	5

Q9. And in principle, if you personally needed care and support at some point in your life as a result of a long-term illness, disability or infirmity, how interested, if at all, would you be in living in an accessible housing scheme specifically built ...? (Base: 1,738)

Q9a.

And in principle, how interested, if at all, would you personally be in living in an accessible housing scheme specifically built...? (Base: 295)

			Very interested %	Fairly interested %	Not very interested %	Not at all interested %	Don't know %
A	Only for people with a long-term illness, disability or infirmity <u>of similar age</u>	Q9	5	32	26	28	9
		Q9a	5	22	25	44	5
		Q9/ 9a	5	29	25	31	8
B	Only for people with a long-term illness, disability or infirmity <u>of any age</u>	Q9	5	29	28	30	9
		Q9a	8	20	25	41	6
		Q9/ 9a	5	26	27	31	8
C	For both people with and without a long-term illness, disability or infirmity <u>of similar age</u>	Q9	6	34	25	27	9
		Q9a	5	27	24	40	4
		Q9/ 9a	6	32	24	29	8
D	For both people with and without a long-term illness, disability or infirmity <u>of any age</u>	Q9	7	31	26	28	9
		Q9a	9	24	26	38	4
		Q9/ 9a	7	29	26	29	8

Q10. Regardless of whether you are currently looking to move to a different property or not, if you had to move to a different property tomorrow, would the following features make you more or less likely to consider a property, or would it make no difference?

	More likely	Less likely	Would make no difference	Don't know
		%	%	%
A Step-free access (no stairs) at the front of the property or up to the property from ground-level	35	6	52	7
B A stair lift inside the property	22	18	53	7
C A through-floor lift inside the property	15	19	57	8
D A downstairs bathroom	47	7	41	6
C Features or adaptations that make it easier to move around inside (e.g. wider doorways, extra handrails)	31	9	53	7
D Features or adaptations that make it easier to use the kitchen	32	8	54	6
E Features or adaptations that make it easier to use the bathroom (e.g. a wet room / level access shower)	40	8	47	6
F Features or adaptations that make it easier to use heating and lighting	30	7	57	6

Q11. If there was one thing you would most like to change about your home or where you live, what would it be?

	%
Response (see data tables for detail)	59
Nothing	34
Don't know	7

Q12. And how likely or unlikely do you think making this change to your home or where you live will be? (Base: 1,161)

	%
Very likely	10
Fairly likely	17
Not very likely	32
Not at all likely	37
Don't know	4
