Scottish Public Attitudes & Opinion Monitor - Wave 18

STVC1. As you may know, the Scottish Government has proposed that an independent Scotland would continue to use the pound within a currency union with the rest of the UK. The three main UK-wide political parties recently announced that they would not enter into a currency union with an independent Scotland. What impact, if any, will the announcement by the three UK-wide parties have on how you plan to vote in the referendum?

Base : All
