## Scottish Parliament Election Issues - BBC Scotland

Table 4

Please give each policy statement a score between 1 to 10, where 1 means that you think it should never be put in place, and 10 means that it is very important and should be put in place quickly

**Keep the income level at which people in Scotland begin to pay the higher 40p rate of income tax at £42,385 even if people in the rest of the UK only start paying the 40p rate on higher incomes**

Base: All respondents

## Scottish Parliament Election Issues - BBC Scotland

Table 6

Please give each policy statement a score between 1 to 10, where 1 means that you think it should never be put in place, and 10 means that it is very important and should be put in place quickly

Increase all rates of council tax by up to three per cent and spend the money raised on schools

Base: All respondents

## Scottish Parliament Election Issues - BBC Scotland

Table 9

Please give each policy statement a score between 1 to 10, where 1 means that you think it should never be put in place, and 10 means that it is very important and should be put in place quickly

### Summary

Base: All respondents

		Policy							
		Increase all rates of income tax in Scotland by 1p in the pound and spend the money raised on schools and colleges	Increase the top rate of income tax for those earning more than £150,000 a year from 45p to 50p	Keep the rate of income tax for people in Scotland at the same level as for people in England	Keep the income level at which people in Scotland begin to pay the higher 40p rate of income tax at £42,385 even if people in the UK only start paying...	Increase council tax for those living in more expensive homes in Scotland	Increase all rates of council tax by up to three per cent and spend the money raised on schools	Increase the level of free childcare for 3 and 4 year olds from fifteen to thirty hours a week in order to help parents go back to work	Give those who care for people with disabilities in Scotland more in benefits than those elsewhere in the UK
