

Scottish Public Opinion Monitor December 2013
Law Society of Scotland
Topline results
FINAL

Technical details:

- This presents the topline results from Scotland
- Results are based on a survey of 1,006 respondents (adults aged 16+) conducted by telephone
- Fieldwork dates: 29th November- 5th December 2013.
- Data are weighted by: age, sex and working status using census data; tenure using SHS data; and public-private sector employment using Scottish Government Quarterly Public Sector Employment series data
- Where results do not sum to 100%, this may be due to computer rounding, multiple responses, or the exclusion of “don’t know” categories
- Results are based on all respondents (1,006) unless otherwise stated.
