CLONING STUDY
RELEASE DATE: DECEMBER 3, 2001

NOTE: all results shown are percentages unless otherwise labeled.

CLONING STUDY

I would like to ask you a question about an issue in the news.

1. If you had to choose, which comes closest to your preference:

	<u>11/30- 12/2/01</u>	<u>6/22- 24/01</u>
A complete ban on all research into human cloning without exception	33	42
A ban on human cloning of full-grown humans, while still allowing research on cloned embryos, to learn more about certain diseases	39	39
Oppose any law that restricts research into human cloning.....	21	17
Not sure.....	6	2
