**INTERVIEW DATES: MAY 7-17, 2004**

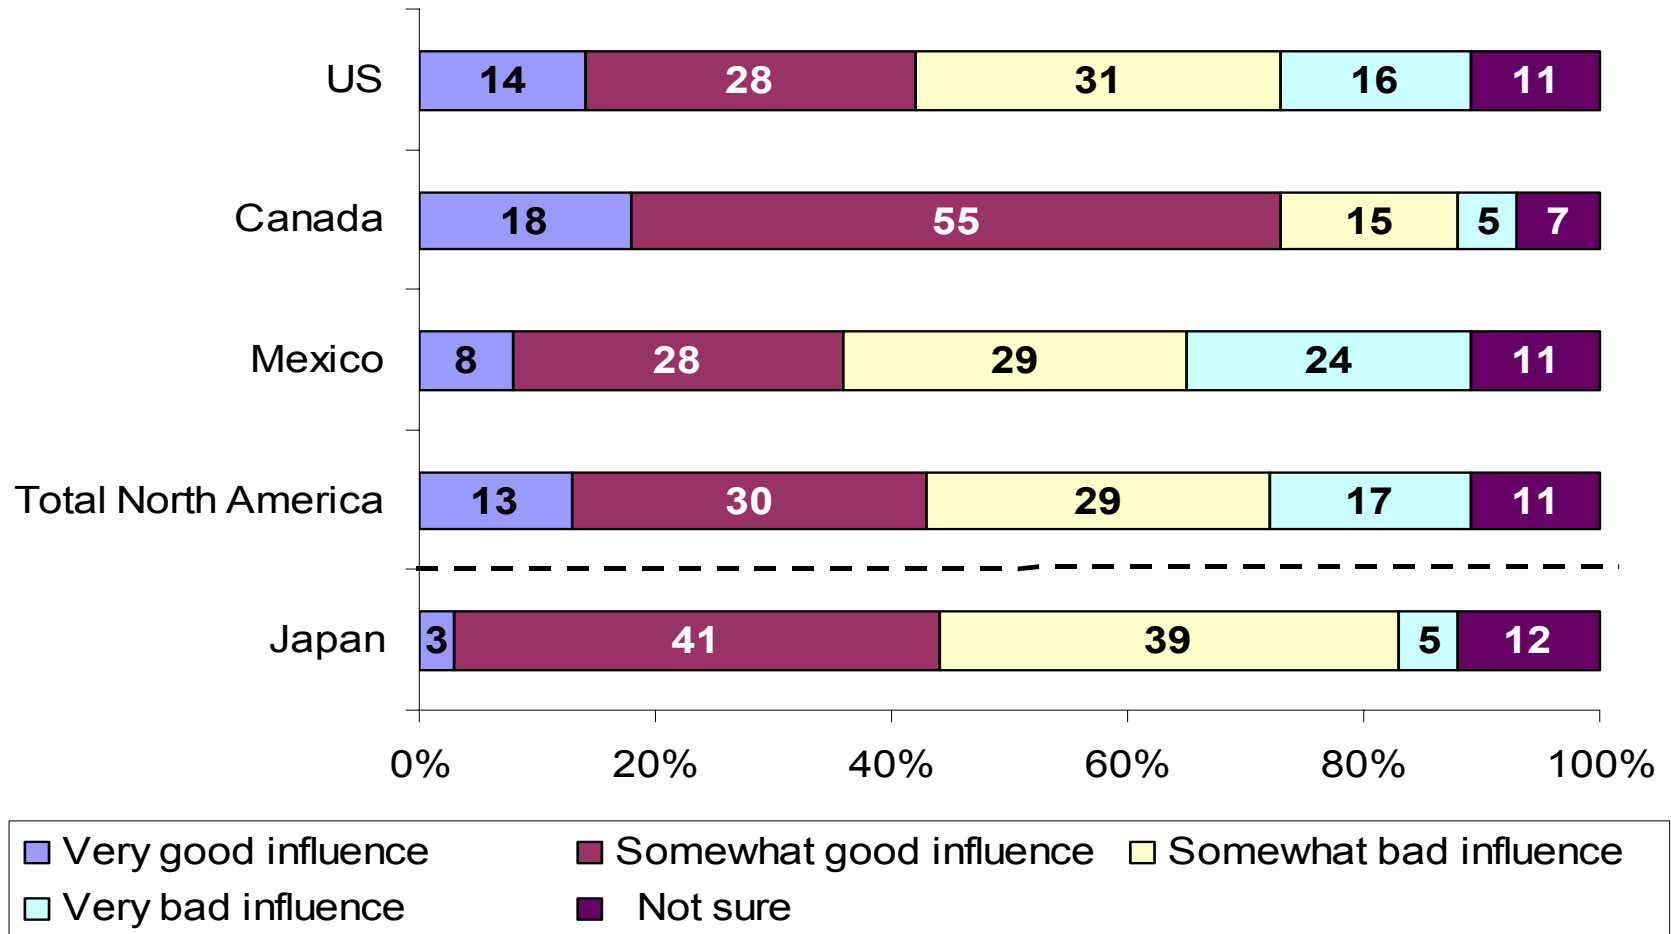

**Methodology**

|                                  | <u>Interviews</u> | <u>Margin of Error</u>      |
|----------------------------------|-------------------|-----------------------------|
| U.S.....                         | 1000              | $\pm 3.1$                   |
| Canada .....                     | 1000              | $\pm 3.1$                   |
| Mexico .....                     | 1005              | $\pm 3.1$                   |
| <b>TOTAL NORTH AMERICA .....</b> | <b>3005</b>       | <b><math>\pm 1.8</math></b> |
| France.....                      | 938               | $\pm 3.2$                   |
| Germany.....                     | 1000              | $\pm 3.1$                   |
| Italy .....                      | 1001              | $\pm 3.1$                   |
| Spain.....                       | 1001              | $\pm 3.1$                   |
| U.K.....                         | 993               | $\pm 3.1$                   |
| <b>TOTAL EUROPE .....</b>        | <b>4933</b>       | <b><math>\pm 1.4</math></b> |
| Japan .....                      | 1000              | $\pm 3.1$                   |

Overall, would you say immigrants are having a good or bad influence on the way things are going in [YOUR COUNTRY]? Would you say very (good/bad) or somewhat (good/bad)?

## Influence of Immigration on Country

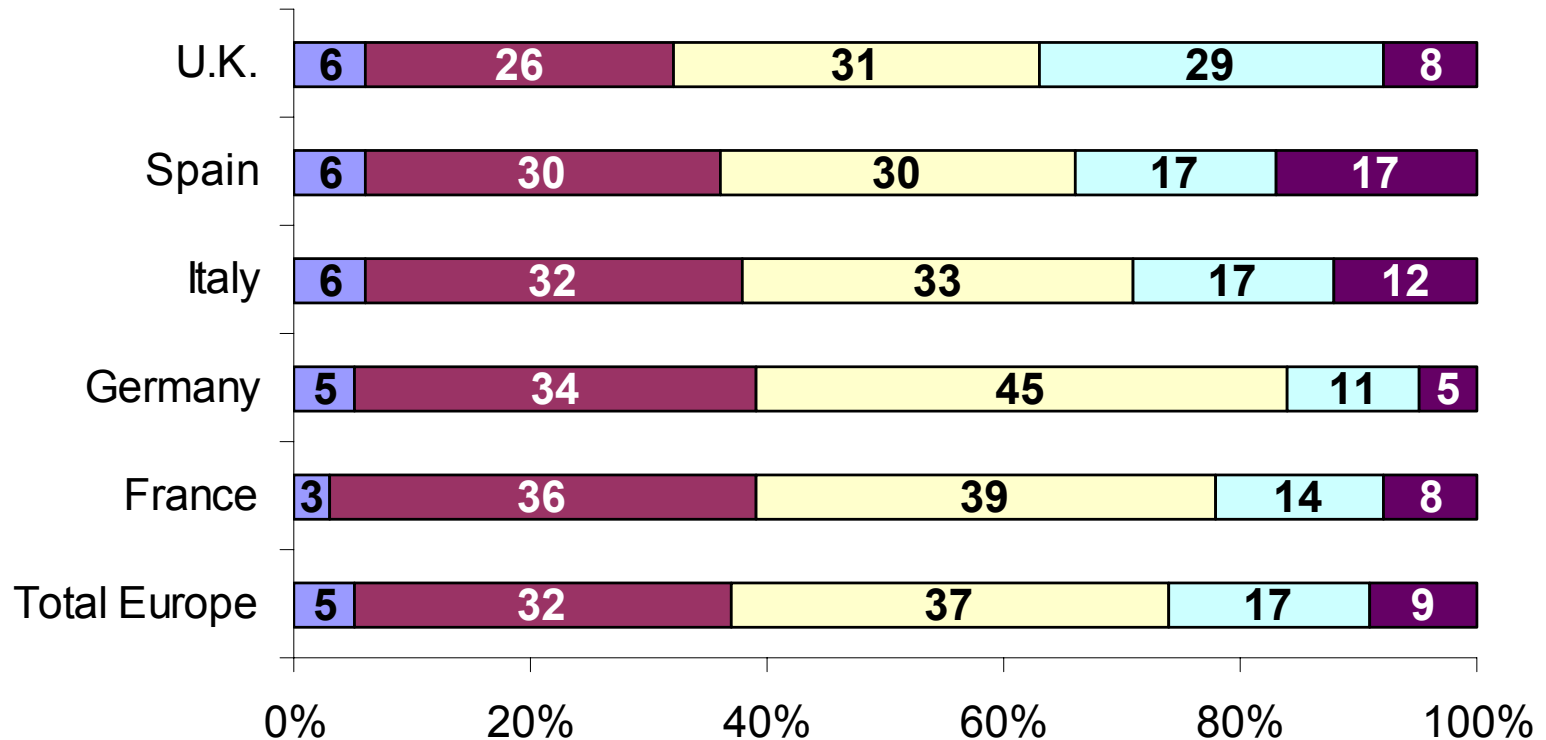

Methodology: Interview dates May 7-17, 2004 (see the first page in this set of charts or the topline results for number of interviews and margin of error for each country.)

Overall, would you say immigrants are having a good or bad influence on the way things are going in [YOUR COUNTRY]? Would you say very (good/bad) or somewhat (good/bad)?

## Influence of Immigration on Country

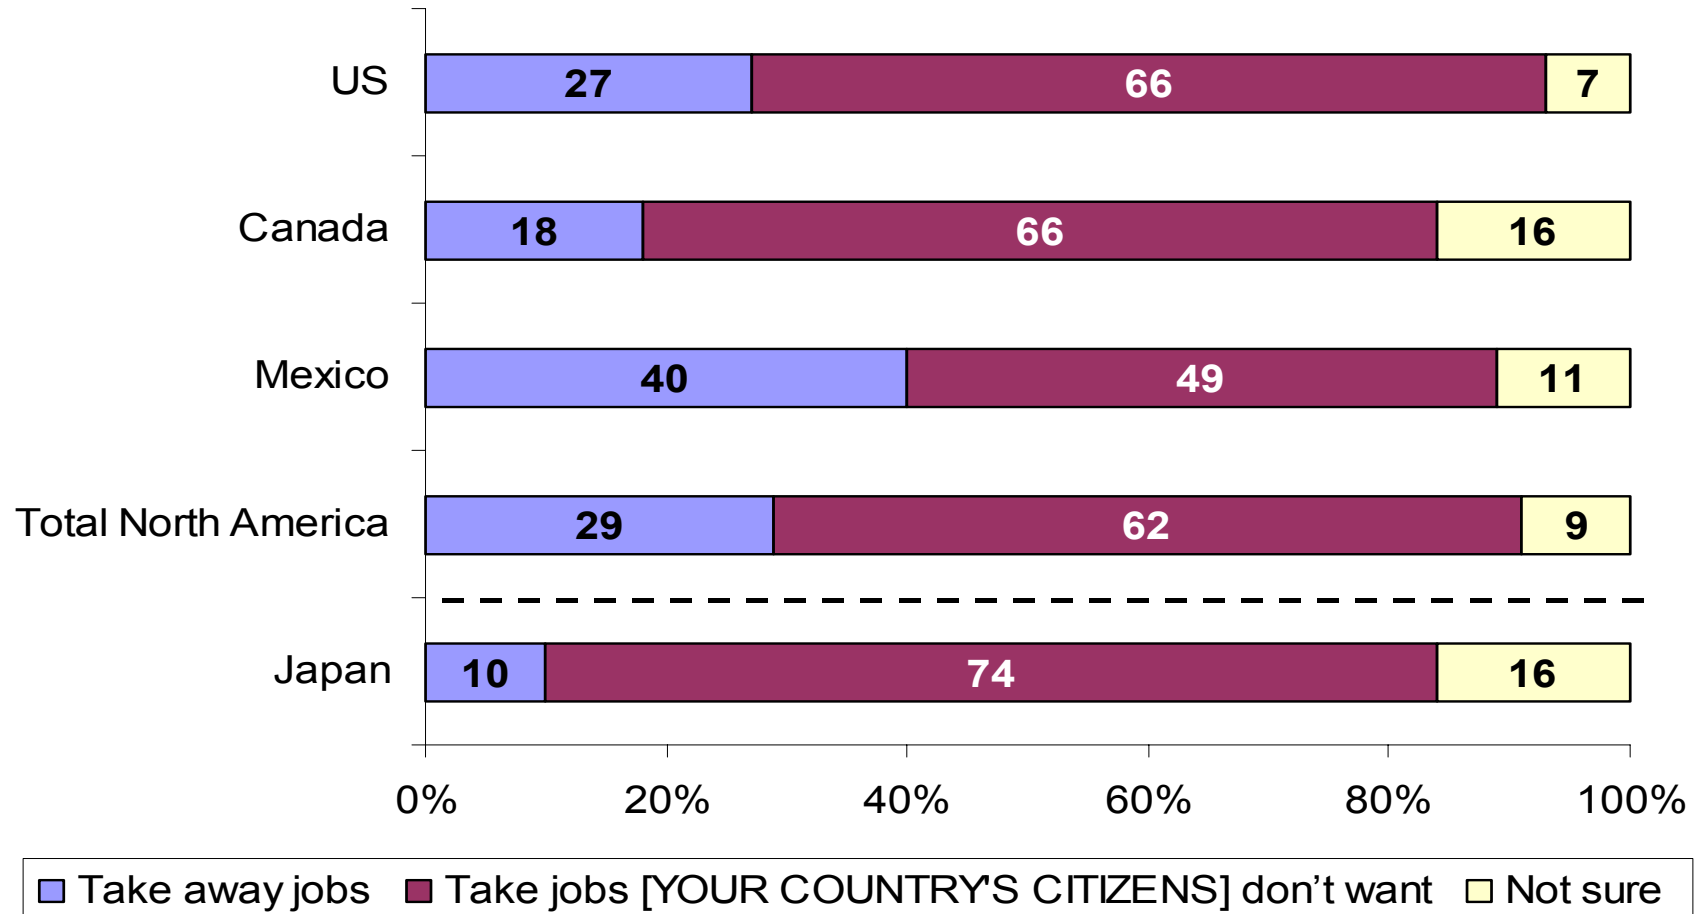

Very good influence      Somewhat good influence      Somewhat bad influence  
Very bad influence      Not Sure

Methodology: Interview dates May 7-17, 2004 (see the first page in this set of charts or the topline results for number of interviews and margin of error for each country.)

Do you think the immigrants coming to this country today mostly take jobs away from [YOUR COUNTRY'S] citizens, or do they mostly take jobs [YOUR COUNTRY'S CITIZENS] don't want?

## Immigration and Jobs

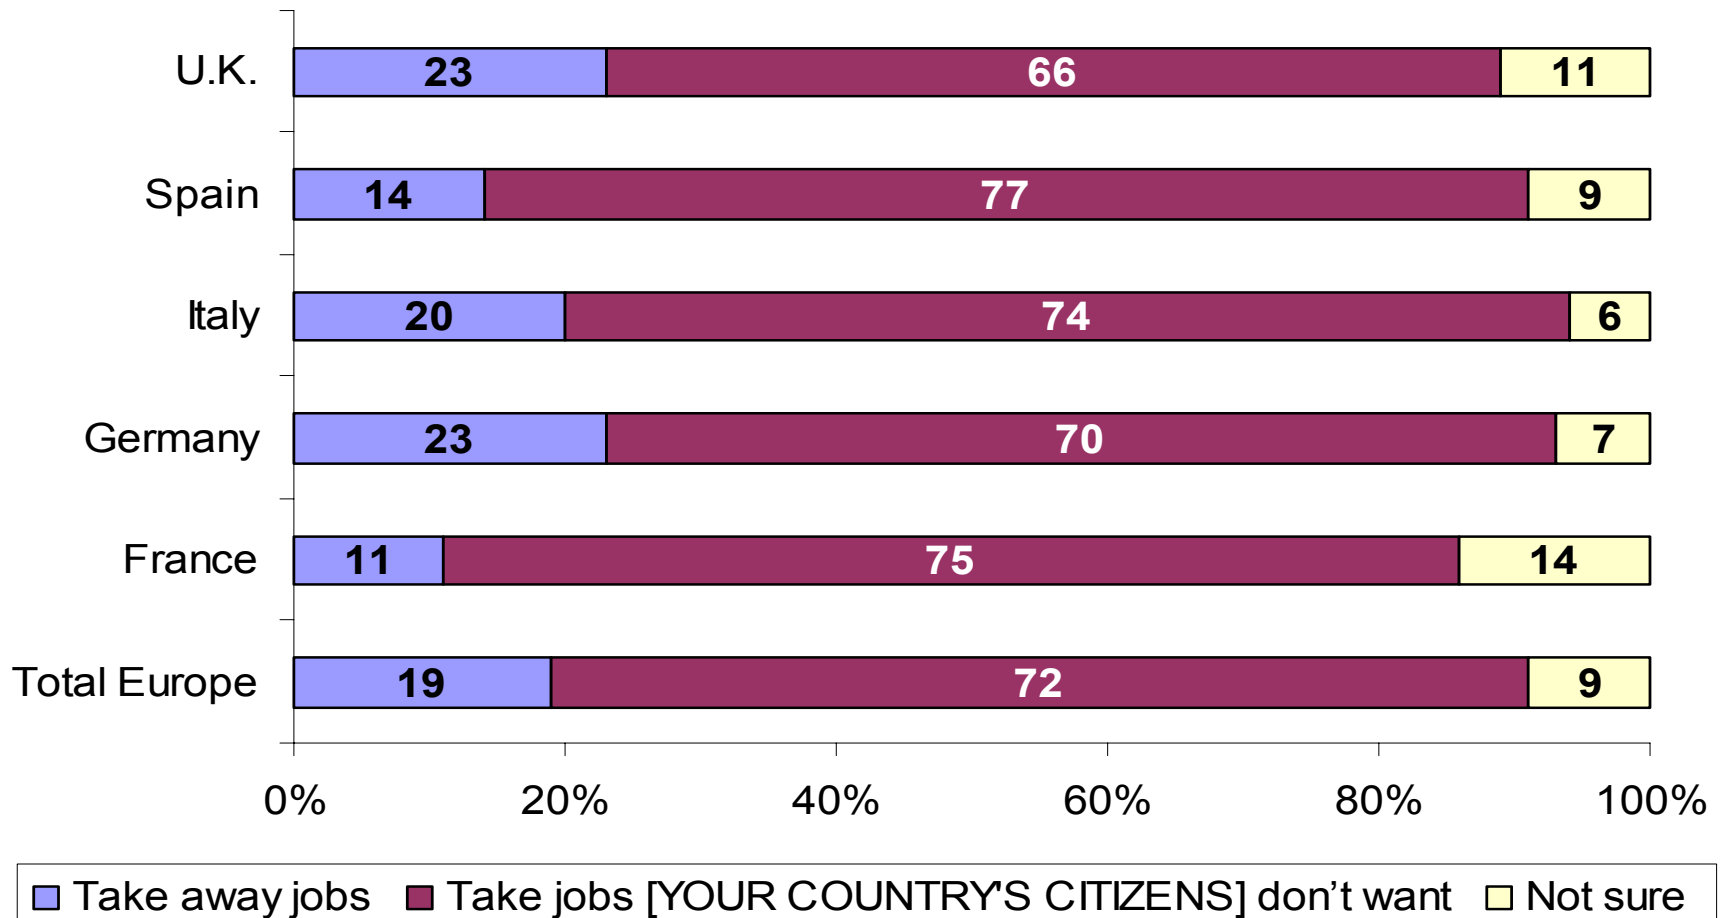

Methodology: Interview dates May 7-17, 2004 (see the first page in this set of charts or the topline results for number of interviews and margin of error for each country.)
